I like to browse the free Kindle books in the hopes of discovering a series worth reading. Most of the time I'm disappointed, but this one I really enjoyed. The characters are interesting and not the typical elf/dwarf/human/wizard typology of many fantasy novels, and the plot has also got me hooked. I'm now off to buy the next two books in the series!0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gut!Von -KundeDieses Buch war eine groe berraschung! Es beginnt langsam und fhrt einen in die Welt ein, so dass man sich an all die Eigenarten gewhnen kann. Die Charaktere und die Umgebung und die

Umstände zwischen den verschiedenen Teilen der Welt sind sehr schön beschrieben. Und dann beginnt sich das ganze langsam zu ändern. Das Buch wird unheimlicher, es gibt Tote. Man wird von den Ereignissen mitgerissen und fiebert mit den Charakteren mit, um das ganze aufzuklären. Ich würde gerne jederzeit mehr aus dieser Reihe lesen! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Perfect! Von Hoener, Birgit Everything came together perfectly in this story. The main characters, both male and female, were "normal" (no Hercules or Xena types, thank you!) and had quite a lot of depth, the plot is interesting and gets the reader drawn in straight away, and the narration style keeps the reader glued to the story until the very last page, and craving more. If there were any grammar or spelling errors, I have not noticed them, as I was caught up so much in this story. I want the sequel! Now!!!

Kurzbeschreibung Legends tell of creatures the size of houses, with wings as vast as the sails of great ships. Their scaled hides glittered like caskets of jewels, and from their massive jaws they breathed goutts of pure fire. The draykoni once ruled the skies of the Seven Realms, uncontested and unstoppable -- so the stories say. But they are only tales. Aren't they? When Llandry Sanfaer discovers a new type of jewel, her life changes forever. Wonderful and terrible, the gem exerts a strange influence over those who behold it. Soon people are dying for it, and Llandry herself becomes a target. This is only the beginning. What is this starry jewel, that no one can resist? Who is the killer that stalks the night, stealing the gems from their murdered owners? And why does the gem call so powerfully, so irresistibly, to Llandry herself? Llandry's destiny cannot be denied. A shy jeweller is about to learn that sometimes, even the most far-fetched story might prove to be the plain, simple truth.
