Von Glen Cook : Dread Brass Shadows: A Garrett, P.I. Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised Dread Brass Shadows: A Garrett, P.I. Novel:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Quite good, but focusses more on character developement than storyVon Simon E.This is the 5th novel of the Garrett series.

And a good one, too! But this book feels different from its predecessors because it focusses more on character development (Garrett, and -fascinatingly- SadlerCrask) and somehow less on a gripping, action packed plot. It is not boring, but it has had its lengths, so it's not the best novel by Cook so far. Still, I am really fascinated how Cook takes characters in and out of its stories to create different settings each time and makes them less foreseeable but still recognisably Garrett-style. This is quite an art, I think!

Kurzbeschreibung A treasure trove of sorcery is hidden somewhere in the city of TunFaire, and everyone wants to find it a prize so rich it makes even a hard-boiled detective like Garrett nervous, especially when his beautiful red-haired girlfriend is attacked because of it. Garrett's thirst for revenge is quenched when two other redheads turn up at his front door and he finds himself the center of unwelcome attention from every thug and would-be sorcerer in town. Now, Garrett has to find what everyone is after the legendary Book of Shadows, made of brass and holding secrets no mortal was ever meant to master and make sure no one ever has the chance to work its spells on his unsuspecting and unprotected world.
