Make your dreams come trueVon KathiDream a Little Dream by Giovanna Fletcher is about Sarah who is single for a few years now, but still sees her ex-boyfriend every now and then because they still have the same friends. Not wanting to lose her friends she isn't complaining about the situation or the new girlfriend of his ex who he left her for. Someday

she starts dreaming of a handsome man she kind of knows in real life too. Suddenly the dream-man appears in real-life and is her colleague. First I have to say an absolutely love the title of the book! Dream a little Dream is such a gorgeous title! Also the cover is really beautiful! It reminds me of summer days, sunsets and sunshine! It's just like the other covers from Giovanna's books. I had little trouble getting into the book at the beginning because I didn't quite like the "dreaming" parts in the book where Sarah dreams about her handsome stranger. But when I got further in reading I really began to enjoy the book! Giovanna has her own writing style which I am not quite used to but that's no problem. I think it is something new and refreshing to read. The book has a lot of surprising turns within it! It's not all roses and flowers and it's not all cliché. Talking about Sarah, her friends and our stranger, Giovanna has written them so that you can't just not fall in love with them! Sarah is a really strong and independent woman! She knows exactly what she wants to do and tries to get it. Her friends are such crazy and lovely people! You just need to love them! Our handsome dream stranger is also a really nice guy who does not rush things! He's very concerned about Sarah and her well-being. There were a few things, such as the dreaming scenes, I did not really like but I enjoyed reading the book and look forward reading other books from Giovanna Fletcher. Dream a little Dream is a wonderful romantic book with a beautiful story! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lovely! Von Verena I did not expect to love it as much as I did! The focus is not so much on the romantic aspects of the story (although there is romance, don't you worry), as it is on Sarah's journey as a twentysomething. It feels very real and familiar, even though there are some dreamy scenes ;) Definitely worth a read, but make sure you read it on a day off, because it's unputdownable! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Romantisch modern und einfach schön Von A. Kroenke Auch mit diesem Buch hat Giovanna Fletcher wieder etwas ganz hervorragendes erreicht. Es ist so schön geschrieben, romantisch, kitschig und mit happy End, welches aber nicht vorrauszusehen war. Ich mag ihren Schreibstil total gern.

Kurzbeschreibung The gorgeously romantic novel from the bestselling author of Billy and Me and Always With Love Sarah is doing just fine. Sure she's been single for the last five years, and has to spend an uncomfortable amount of time around her ex-boyfriend, his perfect new girlfriend and all their mutual friends. And yes, her job as a PA to one of the most disgusting men in London is mind-numbingly tedious and her career is a constant disappointment to her mother. But it's really okay. She's happy (ish). So it's not surprising that when Sarah starts dreaming about a handsome stranger, she begins to look forward to falling asleep every night. Reality isn't nearly as exciting. That is until her dream-stranger makes an unexpected real-life appearance, leaving Sarah questioning everything she thought she wanted. Because no one ever really finds the person of their dreams . . . do they? Saucy, fun and full of heart. This is Giovanna's most accomplished novel yet!
