Kurzbeschreibung A suspicious death. A ghost in a mirror. The second Dark Legacy novel from the New York Times bestselling author known for crafting novels of burning passion and chilling suspense . . . Gwen Frazier is no stranger to ghosts. She sees them in pools of water, windows, mirrors - any reflective surface - at the scene of their violent deaths. But finding justice for the dead is something she's not trained to do and a luxury she can't afford. What pays the bills is her work as a psychic counsellor who sees auras and interprets dreams. But the death of her friend and mentor, Evelyn Ballinger, brings Gwen back to the small town of Wilby, Oregon, and brings back memories she would rather forget. And suddenly, she finds herself a suspect. Enter Judson Coppersmith - a man of startling power and disturbing energy. Sent by a friend to help Gwen, the psychic investigator arrives in Wilby barely in control of his own talent and his own life, haunted by urgent dreams. His attraction to Gwen is primal, but there are secrets he must keep to protect himself from surrendering to her completely. As their investigation into deaths past and present draws them ever closer to danger, Gwen finds herself going too far - into dreamscapes, into decades of deception, and into the fires of a desire too strong to resist . . .
