Von Virginia Henley : Dream Lover before purchasing it in order to gage whether or not it would be worth my time, and all praised Dream Lover:

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. A Heart wrenching tale with equal amounts of sorrow and joy Von Ein Kunde This truly is by far the BEST BOOK Virginia

Henley has written. In her other novels (which I truly love) the hero is so easy to fall in love with. However, in this novel it is harder to love the hero-Sean and so very easy to love Emerald- Clearly she grows and matures into a woman throughout the course of this novel. When I think of Amber and Joseph and Shamus and Kathleen- I cry. Although the novel ends beautifully with Sean and Emerald together- My heart is still broken over the many lost loves. I could write forever about this book and I am undone by the emotions, spirituality, actions, and sexuality of Sean Emerald Amber Joseph Kathleen and Shamus. This novel is different from your others because the woman is not a shy coy maiden who has to be coaxed into love. Emerald's heart overflows with unrestrained love and passion while Sean keeps a part of himself locked away and later realizes his eternal love for Emerald.

1 von 1 Kunden fanden die folgende Rezension hilfreich. Why do I keep reading Virginia Henley! Von Patricia Beninato To be honest, I don't expect much from Virginia Henley. Erotica with some historical references thrown in is her forte. "Dream Lover" was absolute drek from start to finish. It's obvious that she writes for herself, and apparently she likes abusive men. Every time I pick up one of her books, I feel like the kid in that joke about the optimist locked in the room with a pile of horse manure. Unfortunately for Ms. Henley, I have yet to find the pony. P.S. Was I the only one who noticed that Emerald's repeated dream about Sean was couched in the exact same phrases every time? "Sean, Sean," she whispered with heart-scalding hunger." AARRGGHHH!

1 von 1 Kunden fanden die folgende Rezension hilfreich. Oh Please! Von Ein Kunde This is the third Henley novel I have read, and I have yet to find one in comparison to the first one I read, "A Year and a Day". I was disappointed in this book, I found the main character Sean, too unbelievable at times--going around thinking in his head he is the prince of darkness? PLEASE! I felt the sex scenes were borderline porn, and they were written in for the sake of....? Even though I got this secondhand at a bookstore I felt robbed, I will be taking this one back to exchange for a different one, that's for sure. I'm almost ready to swear off Virginia Henley, if I can't find one that compares to "A Year and a Day" soon.

Kurzbeschreibung Bent on revenge after five years on a prison ship, Sean O'Toole, Earl of Kildare, kidnapped his enemy's daughter. Her name was Emerald, an innocent beauty he had known long ago, who had stirred his senses like no other woman. But now he planned to seduce her, abandon her...and bring disgrace to the Montagues. First he would restore the fire to her eyes, make her hunger for his steely embrace -- then use her in an act of vengeance. But Sean didn't expect to find himself caught in the sudden heat of his own desires, bewitched by the magnificent beauty he'd planned to betray... From the Paperback edition.

de Readers who pick up this Virginia Henley who are simply looking for a bawdy read may be disappointed. This is an artfully crafted, beautifully written revenge romance that offers the complexity of all human relationships: political, espousal, and familial. On second thought, maybe they won't be disappointed as Virginia's books never fail to titillate and this one certainly achieves that--at the very least.
