Von Dorothy Garlock : Dream River (Wabash Series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dream River (Wabash Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The second in a trilogy and the bestVon Inna GoldenbergThis is the second book in the Wabash trilogy, following "Lonesome River" and preceding "River of Tomorrow". Although each of these books can be read seperately, in order to appreciate this one, it is important to read "Lonesome River", just like it is important to read this book before reading "River of Tomorrow".Already in "Lonesome River", I became intrigued by Amy and Rain. Amy, still a child, was adorable, outspoken and extremely honest about her feelings. Rain, an intervert, masked his true feelings but the author provided enough clues at the end that he has been in love with Amy all along and the story will continue in

"Dream River". In "Dream River", Dorothy Garlock provides enough adventure and excitement to test both Amy and Rain and their budding romance. Amy has matured and, to my delight, became even harder to control and reason with. Rain grew out of his boyish shyness to become a quiet and strong presence. These two were made for each other and throughout "Dream River" this fact is made more and more evident. There is also a subplot involving Eleanor and Gavin, but I enjoyed this one less than the romance between Amy and Rain. I wished the author spent less time on Eleanor and Gavin, and perhaps wrote another book about the two of them. In this book, the spunky Mercy and calm and collected Daniel appear, a throw-back to Amy and Rain in the early days. After reading "Dream River", it was impossible not to want to read "River of Tomorrow". Although Dorothy Garlock always creates interesting characters, the women can be too unreasonably stubborn and delicate at the same time. Amy is a woman of a different breed, tall, proud, in breeches, and brown-haired. She is not the most beautiful woman Rain has ever seen but she is the woman for him. Read the whole trilogy and you'll see that "Dream River" is the best of the best.

Kurzbeschreibung The million-copy bestselling author of *Wind of Promise* and *Annie Lash* continues her breathtaking *Wabash River Trilogy* with this second exciting novel set in Arkansas in 1819. Amy Deverell joins Rain Tallman as he blazes new trails across the American frontier--and across her heart.

Kurzbeschreibung The million-copy bestselling author of *Wind of Promise* and *Annie Lash* continues her breathtaking *Wabash River Trilogy* with this second exciting novel set in Arkansas in 1819. Amy Deverell joins Rain Tallman as he blazes new trails across the American frontier--and across her heart.

Synopsis Amy Deverell waits seven years for Rain Tallman, her Shawnee-raised hero, to return, and now, united, they cross raging rivers, fight treacherous outlaws and enemies, explore uncharted lands, and hold fast to their love.
