Von Kimberly Gardner : Dressed to Thrill (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dressed to Thrill (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice average short story Von Sunne Nice short story for one read. I missed a bit more depth and insight, got a bit confused because in the beginning it sounded more like Drew did the Drag out of necessity, later it was more portrayed as his "second" persona. Attraction etc. was nice written, ex-boyfriend conflict was very predictable. MCs were both likeable

and sweet.

KurzbeschreibungGenre: LGBT ContemporaryDumped. Right before spring break. What rotten timing! But since the trip to Key West is already paid for, Oliver decides that he'll go anyway. Who knows? Maybe he'll meet a hot guy to make him forget his woes. Little does he expect to be drawn to both a gorgeous local and a sultry drag queen that turn out to be one and the same.Drew knows he has what it takes to be a star. If he has to wear a skirt and stilettos to make it happen, so be it. He looks good as a woman. But then he meets Oliver and has his doubts. He can't tell this terrific new guy what he does with his evenings. Not when they're having such a great time and not when Oliver will be gone in a week. Given the circumstances, where's the harm in a little white lie?But plans and hearts have a way of changing. When both mens secrets come to light, their hidden desires become their greatest thrills.Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Male/male sexual practices.KurzbeschreibungGenre: LGBT ContemporaryDumped.
