**Von Todd Young : Dressing Up (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dressing Up (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. You can only like Todd Young's writing or hate it, nothing in between.Von LenaRibkaAs always, Todd's way of telling is pretty unique.Sweet, captivating, hot, recognizable in every line, very enjoyable and ingeniously crazy.The last is very

typical for Tod's writing. Well, I am his fan and there is no need to hide it.

Kurzbeschreibung Skipper isn't terribly bright. He's made his way to college on a football scholarship, but no sooner has the year started than Skipper is in a jam. He's stuck at a party dressed as Tarzan, in a loincloth meant for a boy. Fortunately for Skipper, blond-haired Lake is on hand to help him out, and once the party's over, Skipper's admiration for Lake blossoms immeasurably. Soon they're sharing a room, but as he watches Lake sleep, Skipper is unable to keep his eyes or his hands to himself. Will Lake wake with Skipper beside him? And will these two ever be able to work it out? Please note: This is the second edition (March 2016). The plot has been slightly altered to address reviewers' concerns. 18+ Adults only. Contains graphic sexual descriptions.
