KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The female Ian Rankin?Von AmberSet in Glasgow this book (series) is a must for any Ian Rankin fans. Anyone who likes Patricia Cornwell's Kay Scarpetta will also like this one.It was a good book and I couldn't out it down! Luckily I had the day off and could read it all in one go! I liked the characters and the story was good. I don't think that some people

could read this kind of book because it was quite graphic in some places. Even though this was graphic at times I believe it was better to add that aspect to the story to make it more realistic. I hate reading these mystery books where you are left to decide by yourself exactly what happened. I have already got the other 2 books in the series called 'Torch' 'Deadly Code' and can't wait to read them as well!

Kurzbeschreibung A driftnet catches everything. A teenage boy is found mutilated in a Glasgow flat. Forensic scientist Rhona MacLeod is called to the scene, but her grim task is even more unsettling than normal by the boy's remarkable resemblance to her - Could he be the son she gave up for adoption seventeen years before? Amidst the turmoil of her own love life and consumed by guilt from the past, Rhona sets out to find both the boy's killer and her own son. The powerful members of an Internet paedophile ring have nothing to lose and everything to gain by Rhona MacLeod's death. **Pressestimmen** A cracking page-turner and impressive debut *News of the World* [a] sexy new rival for old Rebus... *The Scotsman* The gritty realism with which Anderson evokes her settings is one of the best things about this novel *The Times* Lin Anderson is one of Scotland's national treasures - - don't be fooled by comparisons, her writing is unique, bringing warmth and depth to even the seediest parts of Glasgow. Lin's Rhona MacLeod is a complex and compelling heroine who just gets better with every outing. *Stuart MacBride*, author of *Cold Granite* **Werbetext** Meet Rhona MacLeod - a "sexy new rival for old Rebus." (*The Scotsman*)
