**Von Elizabeth Harbison : Drive Me Wild (Mills Boon Vintage Cherish)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Drive Me Wild (Mills Boon Vintage Cherish):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. very charming going home!Von Deborah MacgillivrayElizabeth Harbison has a nice writing style, a good voice, with bright

spark of humour. Too bad the story is rather forced (not her fault but with series romance structure!!) Luke Stewart was in love with Grace Bowes 17 years ago, but she married his best friend and move away. And those embers have remained banked. They flare to life again when Grace comes into to interview for a job. No longer the golden girl, part of a golden couple, she is divorced with a 9 year old son and so desperate for a job and willing to do anything - including learn how to drive a school bus. Romance naturally follows, with Grace still determined to return to the big city once she gets on her feet. Just a little too weak on the reasons why she wants to leave the love of her life for the big city a second time, forcing her characters to go through the motions, instead of letting the plot move them. (The books quick pace is as fault here. With a longer length, she could have devoted more time to this). Luke and Grace are achingly 'real', and she gives teenage uncertainty, of a romance that never dies a strong treatment. A pleasant quick read, with strong, vivid character development. I enjoy series romance, since many of the brightest star come there, and I think we will be hearing more Elizabeth Harbison. I will purchase further books with her name on it and look forward to them!!

Kurzbeschreibung THE ONE WHO GOT AWAY For Grace Bowes, going home again felt like facing disaster. While the town wondered how the golden girl had wound up a struggling single mom, Grace had to find a job fast! Worse, her first interview ever was with none other than Luke Stewart, the man who once made her heart beat madly before she married someone else. He was the lover who still made her wonder: What if? "What if" wasn't an option for Luke. Until Grace walked into his world once more, looking every inch the beauty she always was. Suddenly, the brooding bachelor felt an ache to finish what they started so long ago. Not a bad proposition for a man with nothing to lose. Nothing, that is, except his heart. Kurzbeschreibung THE ONE WHO GOT AWAY For Grace Bowes, going home again felt like facing disaster.
