2 von 2 Kunden fanden die folgende Rezension hilfreich. Drop Shot
Von Larry A. Little
I just finished this book, and enjoyed it, but it was not up to Harlan's usually high standards. I agree with another review who said that there were places in the book that could have been "cut pasted" from some of Harlan's other books. Again, the conversational writing is tremendous, and most of all "true to life". The characters seem to come to life and do in fact have their individual personalities. Not his best, but worth reading.
0 von 0 Kunden fanden die folgende Rezension hilfreich. Not Coben's best, but still fun
Von Ein Kunde
This book suffers from a predictable ending, unlike Coben's other books
0 von 0 Kunden fanden die folgende Rezension hilfreich. Making a Name in Sports Management
Von Alfred J. Kwak
Early 1986 bestseller and book 2 in a series of seven (7) about Myron Bolitar (MB; 32), ex-basketball star for Duke University and Boston Celtics, also ex-FBI agent, Harvard graduate and lawyer, now active as marketing manager for sportsmen and -women. Who become rich not really from salaries or prizes they win, but from endorsing brands of goods or services. This is where Myron, who still occasionally lives with his parents, comes in. Sports management is a highly competitive business and mafia involvement is not unheard of. So Myron, as a late starter faces tough competition.
What makes this book attractive? MB's airy, ironic, sometimes sarcastic approach to anybody close, or less close, even under duress. Plus his serious sense of duty towards his sporting clients and his inquisitive mind. Finally, there is his friendship and operational partnership with multi-talented investment tycoon Win, scion of an old moneyed dynasty, who runs a financial empire two floors above MB's office, but who always has time for Myron. Apart from asset management, Win reads Korean, is highly skilled in BE, martial arts and 'elimination'. Working as a loose duo with their different backgrounds gives them access to different social classes and circles.
Valerie, a former female tennis prodigy still aged only 24, is shot dead during the US Open on its grounds, when MB's new tennis protégé Duane serves out a winning match. The NYPD oddly suspects Duane of killing her. But not for long. Still, there is some connection between the two, which MB will pursue relentlessly: because Valerie asked him days before to manage her comeback
When the plot thickens and more people and parties become involved, this thriller really revs up, producing plenty of death and violence.

Kurzbeschreibung
In the second Myron Bolitar novel from Edgar Awardwinner Harlan Coben, a young woman's tragic death spirals into a shattering drama of menace, secrets, and rage. Suddenly Myron is in over his head and playing the most dangerous game of all. Engaging . . . hilarious.
Los Angeles Times
Book Once, Valerie Simpson's tennis career skyrocketed; now, the headlines belong to a player from the wrong side of the tracks. But when Valerie is shot dead in cold blood and dropped outside the stadium at the U.S. Open, sports agent Myron Bolitar investigates the killing and uncovers a connection between the two players and a six-year-old murder at an exclusive mainline club. As Myron is drawn into the case along with a dirty U.S. senator, a jealous mother, and the mob he finds himself caught between a killer and the truth. Harlan Coben is the modern master of the hook-and-twist.
Dan Brown
Pressestimmen
"A fast-paced plot, witty dialogue, more than a few surprises, and a you'll-never-guess-who-dunit denouement."
Armchair Detective
"Superb writing... Harlan Coben serves up an ace with Drop Shot."
