Intense and beautiful *4,5 stars*Von JohannaI don't want to spoil anything for you guys so let's keep it short and simple. I know most of us have read numerous books about MCs with dark pasts who've been abused or through some other kind of hell. They have trouble opening up and eventually learn how to let go, overcome it all and accept love in their lives.But this story was even more than that. The pain was so intense yet still not overdone. It's hard to describe the author's writing, maybe you can call it clean. It was just perfect to deal with that horrendous amount of darkness that this plot drowns the reader in.I loved both Seth and Alice. They weren't perfect and they made mistakes and that's

what made them authentic and real to me. I admire Alice for her strength. I have no idea how she could have survived her past at all. At some times, I thought her character was a tiny bit overdrawn like with her many secret over-the-top talents. Seth was great. I appreciated so much that the book was told from a double POV because this way I could understand him so much better. I can't wait to read more about the James men and the Harrison women. I hope Gabe gets his own story soon, I'll definitely read it! Just one more word: I'm not a big fan of the cover. What's up with that guy with the receding hairline? Geesh!

Von Merle
Tragisch-schöne Geschichte über ein Mädchen, das seine Misshandlungen erlebt hat und zu überleben versucht. Die junge Alice Harrison kümmert sich um ihre seit drei Monaten blinde Halbschwester, an deren Unfall sie sich schuldig fühlt. Alice ist die uneheliche Tochter eines einflussreichen und burschigen Mannes, vor dem sie eine solche lähmende Angst hat, dass sie dadurch gehindert wird, ihr eigenes Leben aufzubauen. Als sie den verhassten Musiker Seth James kennenlernt, hat sie zum ersten Mal die Hoffnung, dass sich ihr Leben zum Guten wendet. Die Geschichte ist fein aufgebaut, die Abgründe erschließen sich uns nur langsam. Der Charakter von Alice kommt uns nahe und berührt, sie ist gespalten. Nicht so gelungen erscheint mir die Schwester, deren Wesen unklar bleibt. Empfehlenswertes zum kleinen Preis.

Kurzbeschreibung "I dare you." Those words would change adrenaline junkie, Alice Harrison's life forever. She's a party girl that doesn't believe in love until she meets a man that only writes about it. Seth James escaped his overbearing father and moved into one of the James family's vacant condos, hoping to create the music he loves in peace. But the fragile calm he's envisioned shatters when a tiny woman with a world full of energy bounces out of the elevator and nearly takes him out. With the patience of a saint, Seth seeks the dark that keeps Alice from enjoying life. He challenges her to exorcise the demons in her past in order to discover the true meaning of love. But when the walls fall down, the hidden deceptions will bare the ugly truth about a woman drowning in sorrow and a man who may not know how to be her hero.
