KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolutely loved it!!!Von Alexandra"More Than Friends" was my first Aria Grace read and I instantly fell in love

with Zach and Ryan and the author's way of writing. Sometimes I like the concept a story but not the way it is carried out. Not with Aria Grace! So of course I purchased "Drunk in Love" and wasn't disappointed. I had some serious aaaaaw moments and really cried a whole lot reading this story. If you like reads that make you smile, cry and really root for a couple and you have a thing for well written m/m action, you should really read Aria Grace!
