Von Rhys Ford : Duck Duck Ghost (Hellsinger Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Duck Duck Ghost (Hellsinger Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Total gruseligVon emseDa werden Alptrume von Horrorpuppen und Puppenteile wahr.Insgesamt gefllt mir die Hellsinger Serie aber nicht so gut, wie die restlichen Bcher von Rhys Ford.

KurzbeschreibungSequel to Fish and GhostsHellsinger: Book TwoParanormal investigator Wolf Kincaid knows what his foot tastes like. Mostly because he stuck it firmly in his mouth when his lover, Tristan Pryce, accidentally drugged him with a batch of psychotropic baklava. Needing to patch things up between them, Wolf drags Tristan to San Luis Obispo, hoping Tristans medium ability can help evict a troublesome spirit haunting an old farmhouse. With Wolfs sister handling Hoxne Granges spectral visitors, Tristan finds himself in the unique position of being able to leave home for the first time in forever, but Wolfs roughshod treatment is the least of his worries. Tristans ad-hoc portal for passing spirits seems to be getting fewer and fewer guests, and despite his concern hes broken his home, Tristan agrees to help Wolfs cousin, Sey, kick her poltergeist to the proverbial curb. San Luis Obispo brings its own bushel of troubles. Tristans ghost whispering skill is challenged not only by a terrorizing haunting but also by Wolfs skeptical older cousin, Cin. Bookended by a pair of aggressive Kincaids, Tristan soon finds himself in a spectral battle that threatens not only his sanity but also his relationship with Wolf, the first man hes ever loved.

ber den Autor und weitere MitwirkendeRhys Ford is an award-winning author with several long-running LGBT] mystery, thriller, paranormal, and urban fantasy series and was a 2016 LAMBDA finalist with her novel, Murder and Mayhem. She is published by Dreamspinner Press and DSP Publications. She's also quite skeptical about bios without a dash of something personal, and really, who doesn't mention their cats, dog, and cars in a bio? She shares the house with Yoshi, a grumpy tuxedo cat, and Tam, a diabetic black pygmy panther, as well as a ginger cairn terrorist named Gus. Rhys is also enslaved to the upkeep a 1979 Pontiac Firebird and enjoys murdering make-believe people.
