sympatisch und glaubwürdig. Die Krimigeschichte ist zwar - wie in ihrer anderen Krimireihe - leicht zu durchschauen, tut dem Buch aber keinen Abbruch. Wer mit Hund oder Katze sowie einer Kuschedecke (und möglichst auch einem Kaminfeuer) einen gemütlichen Leseabend auf der Couch verbringen will, kann zu diesem Buch greifen und genießen. Ach, ich habe ja noch dem Kakao vergessen....0 von 2 Kunden fanden die folgende Rezension hilfreich. Super Cozy Von Bcherfriedel Gefällt mir sehr, habe das Buch in einem Rutsch durchgelesen. Es ist genau so gut, wie das andere Buch aus dieser Reihe.

Kurzbeschreibung Answering tricky reference questions is excitement enough for library director Lindsey Norris. Until a murder is committed in her cozy hometown of Briar Creek, Connecticut, and the question of who did it must be answered before someone else is checked out--for good. From the Paperback edition. Kurzbeschreibung Answering tricky reference questions is excitement enough for library director Lindsey Norris. Until a murder is committed in her cozy hometown of Briar Creek, Connecticut, and the question of who did it must be answered before someone else is checked out--for good. From the Paperback edition. ber den Autor und weitere Mitwirkende The hardest decision New York Times bestselling author Jenn McKinlay ever had to make was what to major in during college. Then she discovered the sanctuary of the library and library science a major that allowed her to study all the subjects. She loves working as a librarian. After all, what other occupation allows you to research the ethnobotanical properties of agave, perform a puppet show for twenty wiggly toddlers and try to answer why the rabbit's foot is considered lucky, all in the same day? Jenn is also the author of the Cupcake Bakery Mysteries, the Hat Shop Mysteries and the Bluff Point romance series. She lives in Scottsdale, Arizona, in a house that is overrun with books, pets, kids and her husband's guitars.
