Wem das Genre Urban Fantasy mit Vampir-Touch gefllt - eine der guten SerienVon HrsterIch habe alle bisher erschienenen gelesen und gerne gelesen. Gute Unterhaltung. Nicht mehr, aber auch nicht weniger.Wer die Dresden files mag, mag diese Serie gewiss auch, sie hat

aber mehr Referenzen zum normalen politthriller als diese. Das ist für mich ein kleines Manko im Vergleich.

KurzbeschreibungBook 4 of the Demon Accords. Chris and Tanya have been assigned as Coven Rovers, travelling the country and trouble shooting the supernatural community. It's a job that's part cop and part auditor, one that should be long periods of boredom mixed with small parts of action. But this is Chris and Tanya, so a sudden assignment to check on a rogue vampire leads to a run in with a hostile Master vampire, a hit squad, monsters straight out of Native American folklore, black ops teams and worst of all, vampire politics. Now, more than ever, Chris must control his dark side, as the alternative is death.
