Kurzbeschreibung A powerful psychological thriller to chill you over Christmas - the twists of GONE GIRL, the suspense of THE ICE TWINS, the psychological intensity of MISERY ... 'Packs a killer twist' Prima 'Wickedly funny' Sunday Mirror I am missing. Held captive by a blue-eyed stranger. To mark the twelve days of Christmas, he gives me a gift every day, each more horrible than the last. The twelfth day is getting closer. After that, there'll be no more Christmas cheer for me. No mince pies, no carols. No way out But I have a secret. No-one has guessed it. Will you? Pressestimmen An exciting, chillingly complex psychological thriller. A downright chilling psychological suspense novel. Perfect holiday reading. Tammy Cohen is a master of the suspense/thriller genre and her latest novel is a truly riveting read from beginning to end. Intriguing, startling and frightening. One of those books that begs to be read twice to fully appreciate what has occurred. Cohen's writing is so strong that even when one learns the truth, the indoctrination sewn throughout the narrative has set in so well that its aftereffects linger right up to the final page. Read it and enjoy. You'll hesitate before you ever respond to a stranger again. Werbetext Gripping Christmas psychological thriller for fans of THE WIDOW and THE COUPLE NEXT DOOR, as a young woman is held captive over the twelve days of Christmas, but all is not as it seems ...
