She resides in a Colorado pine forest with one husband (the original), one dog (a 10-pound Maltese named Spike), and two cats (Thom and Patches). Her favourite things are writing and laughing (and champagne). Published with Harlequin since 1989, she's written more than two dozen books for Romance, Superromance, Temptation, Duets, Love and Laughter, Historical, and novellas for both Harlequin and St. Martin's. If she had any spare time, which she doesn't, she'd spend it at her Pfaff 7570 sewing machine embroidering toilet paper and other such worthwhile projects.
