Von Norah Hess : Fancy (Leisure Historical Romance) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fancy (Leisure Historical Romance):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Chance wants Fancy badly. . . but not as his wife.Von Joyously Retired TeacherPerhaps it's because he first met her as a dance hall girl and assumed she was a whore. Anyway, Chance Dawson is determined to get Fancy in his bed. Fancy,

struggling to keep her family fed, is not interested in his proposition. Dancing is the only way she can make a living in this logging town owned by. . . you guessed it. . . Chance Dawson. When he pressures her employer to fire her, Fancy is forced to bring her family to live in Chance's home. Although I did enjoy this book, I was aggravated by Chance's stubborn refusal to consider making her his wife, especially after he discovered her innocence. Considering that nearly every single man in the town would have jumped over hoops to marry her, his reluctance to claim her as his own seemed odd. Especially when she proved to be a great housekeeper and cook in addition to her other desirable characteristics. This circumstance caused me to doubt the depth of his love for her. Now if the author had given us a good REASON for his attitude, perhaps I could have accepted it. But I don't find it terribly romantic that he expected her to be ecstatic at the prospect of being his whore. . . especially when she had her family's welfare to consider.

KurzbeschreibungDetermined to keep her orphaned family together, a young woman must also battle to keep her heart intact against a dashing logger who had determined that Fancy will not be alone for long.KurzbeschreibungDetermined to keep her orphaned family together, a young woman must also battle to keep her heart intact against a dashing logger who had determined that Fancy will not be alone for long.SynopsisStruggling to keep her family together after her father's accidental death, Fancy Cranson vows to work herself to the bone, until she meets woodsman Chance Dawson, who decides to claim Fancy as his own.
