**Von D'Elen McClain : Fang Chronicles: Tyboll (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fang Chronicles: Tyboll (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. For the love of God she did it again - she surprised meVon Birgit WahlAs always there are lots of surprises and twists in the stories written by D'Elen McClain.Grumpy bear shifter with a chipper adopted werewolf daughter lol it is always good to meet characters from previous books like Mandy and Tyboll again and the cub/pub lol met his match in a stubborn bear shifter who is also a bear with special gifts who is living separate from the bear clan cause she is a witch too.

There is/was a misunderstanding between Tyboll and Veda in the past which affects the present. I love a book with a conflict cause it adds to the surprises and twists lol this story has to be read before Esha's Story which is book 8 of this series lol I love Mandy and she is the one who prove Veda and the females of the bear clan wrong in their believing that the witches has to live separate from the bear clans. Well the vampires (protector of the shifters) are not really fond of the witches cause they don't need to share blood with them to get healed and to extend their lives like the other shifters but hey s.... happens lol and you have to deal with it. My opinion is this book is worth 5 stars, a keeper and re-read worthy. This book was part of a box set and is also a single book now lol I have it both and with the single book I did a re-read cause I enjoyed it so much.

Kurzbeschreibung A grumpy bear shifter, a stubborn she-bear shifter, and more growls than a bear clan can possibly handle. Will the two kill each other or discover they make the perfect mated pair? Tyboll is as egotistical as only a bear shifter can be. Veda has no problem putting the self-centered bear in his place even if its the outhouse throne. When they finally touch and discover theyre mates its a match made in beastkind hell. Or is it? Who better to wet his appetite than a witch. Who better to tame her lonely heart than a raging bear. Fang Chronicles: Amy's Story Fang Chronicles: Emily's Story Fang Chronicles: Zenya's Story Fang Chronicles: Mandy's Story Fang Chronicles: Dmitri Fang Chronicles: Ivan Fang Chronicles: Tyboll Fang Chronicles: Esha Kurzbeschreibung A grumpy bear shifter, a stubborn she-bear shifter, and more growls than a bear clan can possibly handle.
