Fortsetzung von "Fangs For The Memories"Von SabrinaDiesmal geht es um Christian, den "bsen" Bruder aus "Fangs For The Memories". Christian hatte einen Moment der inneren Einsicht, als er Janes Blut trank und anhand ihrer Liebe zu Rhys erkannte, dass seine Beziehung zu Lilah dem in keinster Weise glich, sondern durch Manipulation und Abhngigkeit gekennzeichnet war. Entsetzt darber, wie er unter Lilahs Einfluss sein Leben verschwendet hat, und voller Reue ber das, was er seinem Bruder und dessen Freundin angetan hat, entschliet Christian sich, sein Leben von nun an in seinem privaten Fegefeuer zu verbringen. Der einstige Snob zieht in einen Trailerpark, rationiert sein Blut so

streng wie möglich und bezieht seine einzige Unterhaltung aus dem Fernsehen. Doch erst, als er Jolee kennenlernt, ändert sein Leben sich wirklich. Jolee, der im Leben nichts geschenkt wurde, und die entschlossen versucht, dem Schatten ihrer kriminellen Familie zu entkommen, weckt Gefühle in Christian, die er für immer verloren glaubte. Doch kann er wirklich eine Beziehung führen, noch dazu mit einer Sterblichen? Und wie wird Jolee reagieren, wenn sie erfährt, was er ist, und wie er sein bisheriges Leben verbracht hat?"Fangs For The Memories" ist eine würdige Fortsetzung des ersten Bandes, allerdings nicht ganz so spannend und dramatisch wie dieser. Christians Beziehungsunfähigkeit und Jolees zögerliches Akzeptieren seiner merkwürdigen Art garantieren eine gute Geschichte, wenn auch einiges Hin und Her zwischen beiden am Anfang des Buches etwas konstruiert wirkt. Auch Christians erneutes Zusammentreffen mit Rhys und Jane hätte ich mir spektakulärer vorgestellt, wogegen das Ende des Buches wieder sehr gut gelungen ist. Jetzt darf man gespannt sein, was die Autorin für Sebastian, den dritten Bruder, geplant hat, dessen Geschichte im nächsten Band erzählt wird.1 von 3 Kunden fanden die folgende Rezension hilfreich. A nice quick bite Von Amber This is the second book in a series. The first book 'Fangs for the Memories' was not too bad but this second part is a lot better. A mixture of chicklit and paranormal this story about one of 3 brothers, Christian, is a lot more fun and of interest than the first book. A nice quick, light and interesting read. A nice curl up good feeling book with a bite!

Kurzbeschreibung There's Nothing Uglier Than A Vampire Singing "Feelings" If I hadn't seen it for myself, I'd swear it couldn't be true: my brother, Christian, living in a trailer park and working at a karaoke bar. We're talking about the snob who'd probably sniff the plasma packets and send 'em back in a huff if the blood type wasn't the right vintage. But after centuries of living in the undead fastlane, he's made up his mind that this is exactly where he needs to spend the rest of eternity, atoning for his many, many, sins. But sometimes things just don't work out like you think they will. Sometimes your hell can turn into your heaven. And thanks to Christian's chatty neighbor and boss, Jolee, things seem to be getting a whole lot nicer in Shady Fork Mobile Estates. Not that either of them has the first idea how to have a normal relationship--we are talking about a woman's who's only dated dead-beats, and a guy who's only dated the dead. Well, nobody's perfect. From Booklist Christian Young fled his luxurious vampire life to live in self-imposed exile in a West Virginia mobile home park as punishment for the horrors he inflicted on his family. The hardest part is making connections with others when all he wants to do is to withdraw in shame. But old habits die hard, and when he sees his neighbor, Jolee, in trouble, he heads to the rescue. He intends it to be a one-time deal, but the more he learns about her, the more he can't resist, until the tables are turned, and she becomes his salvation. Love pens a quirky tale in which Christian's journey is less about not being a vampire and more about learning to be good to himself and others. Vampire myths play a very small role here. There are no mystical, magical societies, no black, swirling dusts or Blade-style fights. It's simply a beautiful story of two scarred people figuring out how to love and heal each other.
