Von JoAnn Ross : Far Harbor (Coldwater Cove) before purchasing it in order to gage whether or not it would be worth my time, and all praised Far Harbor (Coldwater Cove):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. This is a beautiful relationship dramaVon Ein KundeSmarting from a divorce, Savannah Townsend returns to her hometown of

Coldwater Cove, Washington. She plans to open up a bed and breakfast in the Olympic Peninsula once she finds a site. She chooses the dilapidated Far Harbor Lighthouse, owned by nasty senior citizen Henry Hyatt. As she begins her work, she meets fellow divorcee, attorney Dan O'Halloran and his nephew John Martin. Dan happens to be Henry's lawyer. However, he helps Savannah cut a deal with his client. As he works with Savannah on her restoration project, they fall in love. Though he has suffered through a California divorce, he wants to marry Savannah, but she needs time to think about remarrying. Crises strike their family members leaving Savannah beginning to understand that loved ones are everything. FAR HARBOR, the sequel to the beautiful HOMEPLACE, centers on relationships and includes the return of several characters from the popular first tale. Readers will enjoy the lead characters whose lessons in life have not always been positive, but definitely reinforced. The support cast provides depth that makes readers feel they are visiting the Olympic Peninsula. Though not filled with action, this story is a wonderful relationship drama in which JoAnn Ross splendidly describes love the second time around. Harriet Klausner 0 von 0 Kunden fanden die folgende Rezension hilfreich. JoAnn Ross excels Von Bonnie Gilbert JoAnn Ross's sequel to Homeplace brings us back to the beautiful Olympic Peninsula. Recently divorced Savannah Townsend is trying to get her life back in order and decide what to do. After deciding to buy the Far Harbor lighthouse and open a bed and breakfast, Savannah puts her plans into motion. What she doesn't expect is to clash with the current owner of the lighthouse or to be so attracted to his lawyer, a man she went to high school with. Dan O'Halloran is getting his life back on track too. After a recent divorce, he is returning to Coldwater Cove, Washington to start over with his young orphaned nephew. He is immediately attracted to Savannah and spends his extra time helping her fix up the lighthouse. The two fall in love, but Savannah is too hurt over her recent divorce to allow herself to completely give herself to Dan. This is a wonderful story about love and family. The interesting characters from Homeplace are back, including the wonderfully witty grandmother. On a personal note, living in Seattle all my life, the Pacific Northwest summer that was so wonderfully written made me yearn for the sun to come out and the soft breeze of the Puget Sound. One of the Pacific Northwest's best kept secrets is their summer. It does rain a lot, but you can't beat the summers. I'm counting the days down. Only FIVE MORE MONTHS. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Another great read by JoAnn Ross! Von Holly FSavannah Townsend has left a bad marriage and her career behind. She's come home to Coldwater Cove and bought an old, rundown lighthouse that she's hoping to renovate and turn into a bed and breakfast. And, she's found a man from her past who just might be her future. Daniel O'Halloran came home to Coldwater Cove to care for his orphaned nephew . . . his wife wouldn't come with him and they end up divorcing. He's not looking for a relationship, but then the best things tend to happen when we're not looking. As Daniel and Savannah learn to trust each other, they are surrounded by family troubles -- troubles that help them draw closer -- Savannah's aging grandmother, a mixed-up teenage girl, a cantankerous old man, and a ghost whose spirit is just waiting for someone to set her free. Ross tells a story rich with family and love -- a story with characters I fell in love with in Homeplace and fell even further for in Far Harbor.

Kurzbeschreibung "One of the best storytellers the genre has produced" (.com), JoAnn Ross creates characters so vibrant and funny they're irresistible. Now she triumphs again with a remarkably intimate tale that illuminates the ardent emotions of a woman coming to terms with her life -- and with her heart. After her seemingly idyllic marriage turns out to be a pretty illusion, Savannah Townsend returns to her hometown of Coldwater Cove, Washington. Determined to live life on her own terms, she takes on the task of restoring the local Far Harbor lighthouse and making it the cozy inn she had always dreamed of. But she hasn't anticipated opposition from the lighthouse's owner, her grandmother's disturbing memory losses, or the problems of an emotionally wounded teenage girl. Most of all, she hasn't planned on having feelings for Daniel O'Halloran, a caring and passionate man from her past. As affection moves to attraction and then to something far deeper, Savannah learns that in life nothing worth having comes easily. She also discovers that some dreams really are forever. A novel of uncommon grace and power, Far Harbor is at once a poignant love story and an emotion-packed account of one woman's journey home. Pressestimmen-- "Few storytellers have JoAnn Ross's magical touch for creating warm and memorable characters whose lives you delight in visiting. Like cherished silver, Homeplace just shines!" -- Romantic Times Kurzbeschreibung "One of the best storytellers the genre has produced" (.com), JoAnn Ross creates characters so vibrant and funny they're irresistible.
