Von Elizabeth Bevarly : Fast Loose (Berkley Sensation) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fast Loose (Berkley Sensation):

first Elizabeth Bevarly book and I'm already a fan. I really like her style to write, love her storylines and because she always presents more than one lovestory I'm on the way to get addicted to her books. So, "Fast Loose" is mainly about Lulu Flannery and Cole Early. Lulu is renting out her house because of the Kentucky Derby and Cole is the one to rent it from her. But both don't know about that when they first meet. They have something like a "feeling/attraction on first sight" and meet again some days later still with some attraction between them. But because both usually look for partners with different qualities than the other possesses they are a bit unsure about what to do. Especially because Lulu thinks that Cole is a womanizer using his status as a famous Thoroughbred trainer to get what he wants and Cole thinks that Lulu is a bit crazy, somewhat odd but also very charming and interesting. Things get even more complicated when Lulu realizes that Cole is renting her house and Cole discovers that the owner of his house which he imagined as a hot, sexy and vibrant woman is Lulu. Both have to handle that sometimes what we think we want is not what we need and that often the outer appearance is just a shell that helps to cover the real person in order to find love and happiness with each other. Even though it takes half of the book until they realize who each other really is that doesn't mean that the first pages are boring, contrary they are really funny and beautifully written and I really enjoyed this way to get them to know each other. The second lovestory is between Lulu's friend Bree and Rufus who's working as a bartender. Bree is looking for some rich guy to marry (for example Cole) who can help her taking care of her ill mother but she realizes that it's more important to really love than to marry rich. Both lovestories are really nice and I enjoyed this book a lot. Especially the relationship between Lulu and Cole is beautiful and warmed my heart. So grab yourself a copy of "Fast Loose" and read on! Enjoy S.M.

Kurzbeschreibung Elizabeth Bevarly's novels glow with charm and sexy fun. New York Times bestselling author Lisa Kleypas Thoroughbred trainer Cole Early hopes to make his charmed life even sweeter with a win at the Kentucky Derby. But first the hotshot media sensation needs a place to stay. With all of Louisville booked for Derby week, he snaps up the snug little bungalow his agent miraculously finds. Strapped for cash, glass artist Lulu Flannery has agreed to rent out her house for Derby, but is immediately overcome by second thoughts. What if her houseguest is someone like that rowdy King Cole person she sees partying on TV every night and in the society pages every day and who keeps popping up in all the places she seems to be? A guy like that could wreak havoc on a girl's feng shui. But it isn't Lulu's feng shui that Cole is interested in. Especially after he discovers she's the mysterious woman whose house is filled with indulgences to please all five senses and then some. What's a guy gotta do to bring the passion out of the self-possessed Miss Flannery?
