Crusie wie immer super!Von JuraDas neue Buch von Jennifer Crusie hat mal wieder alles was man erwarten kann. Romance, Spannung und eine gute Portion Sex.Nell ist eine geschiedene Frau in den vierzigern die mit ihrer neuen Lebenssituation erstmal gar nicht klar kommt. Auf Empfehlung des Schwagers ihres Ex-Ehemanns fngt sie aber bei einem Detektiv-Bro an und versucht ihr Leben in den Griff zu bekommen. Allerdings gelingt es ihr schon in der ersten

Woche ihren Chef zur Weiglut zu bringen und alle Regeln der Agency zu brechen. Unter anderem die dritte "Don't f* the help". Der Chef Gabe McKenna hat allerdings auch so seine Probleme. Er hngt immer noch in der vergangenen Welt, als sein Vater das Detektiv-Bro geleitet hat und es fllt ihm schwer jede Art von Wechsel zu akzeptieren. Crusie schreibt wie immer sehr humorvoll. Die Dialoge zwischen den Hauptprotagonisten und auch zwischen den Nebenfiguren sind einfach Klasse. Auch dieses Mal spielt wieder ein Hund mit. Marlene ist eine Dackel-Diva, die fr Kekse einfach alles tut. Nebenbei spielt sich auch noch ein kleiner Krimi ab. Sehr verzwickt und spannend bis zum Schlu. Was will man mehr! 6 von 6 Kunden fanden die folgende Rezension hilfreich. Nice!! Von Ein Kunde Ich habe schon andere Crusie-Bcher mit Begeisterung gelesen und fand auch dieses Buch gut, aber mir persnlich hat es nicht so gut gefallen, wie z.B. "What the lady wants". Ein spannender Fall mit jeder Menge Verknpfungen unter den Charakteren, Annherungen und eine besonders starke Frau als Hauptperson erwarten den Leser hier... Allerdings ist die Story teils etwas langatmig, v.a. durch stndige Streitereien und die Beharrlichkeit von Nell. Insgesamt schon ansprechend, aber nicht so gut wie andere "Crusies"! Viel Spass beim Lesen... 0 von 1 Kunden fanden die folgende Rezension hilfreich. A wonderful book published by the worst printing company..... Von little bear I got the book from DHL yesterday, and when I opened the package, I found out, certain pages (P.341-P.372) were badly cut. I bought several books from , and it's the first time. Hopefully it was a random mistake. Those pages are at least 3 cm shorter than the normal size, so at least 3 lines of each page are missing!!!!!!!!!!!!!! If allowed me to upload a pic of the product, I will show u all the bad cut!!!!!!!!!!so, take care when you click "kaufen". However, this book is great written, and I can't help reading it all the night.... The author should consider about changing a cooperation publishing company....

Kurzbeschreibung When a down-on-her-luck divorcee meets a determined-to-dominate detective, they find out that falling in love can be murder. . . . Nell Dysart's in trouble. Weighed down by an inexplicable divorce and a loss of appetite for everything, Nell is sleepwalking through life until her best friend finagles a job for her with a shabby little detective agency that has lots of potential and a boss who looks easy to manage. Gabe McKenna isn't doing too well, either. His detective agency is wasting time on a blackmail case, his partner has decided he hates watching cheating spouses for money, and his ex-wife has just dumped him . . . again. The only thing that's going his way is that his new secretary looks efficient, boring, and biddable. But looks can be deceiving, and soon Nell and Gabe are squaring off over embezzlement, business cards, vandalism, dognapping, blackmail, Chinese food, unprofessional sex, and really ugly office furniture, all of which turn out to be the least of their problems. Because soon, there are murders. And shortly after that, Nell and Gabe start falling in love. . . . deEmotionally numb from her divorce 18 months earlier, Nell Dysart is about to waken with a vengeance. When she takes a job as office manager for McKenna Investigations, she's determined to reorganize, redecorate, and revamp the stuck-in-the-'50s surroundings, but she runs smack-dab into senior partner Gabe McKenna, the immovable object to her irresistible force. Gabe likes the dated ambiance just fine and doesn't want a thing changed, but he soon learns that nothing in his life is going to stay the same now that Nell has arrived. Rough and gruff, but with a heart of gold, Gabe is just what Nell needs to jump-start her hormones. Nell's formerly dull life is suddenly wildly active, for not only is she lusting after Gabe (and vice versa), but there's also a case of embezzlement to uncover, a dog to steal, and bribery to investigate. And, oh yes, there are those very cold, very dead bodies in the freezer. Fast Women has well-rounded characters, an interesting mystery to resolve, and author Jennifer Crusie's trademark humor. In addition, Crusie gives readers a little something extra in her exploration of the emotional stages of divorce, the viability of marriage, and the value of self-honesty--all of which add up to an excellent fictional tale layered with a thought-provoking look at contemporary culture. --Lois Faye Dyer.com's Best of 2001 Emotionally numb from her divorce 18 months earlier, Nell Dysart is about to waken with a vengeance.
