Handlung - Spannung bis zum Schluss  
Von Petra Pfaffenberger  
Diese Geschichte beginnt eigentlich schon in dem Roman "Sanft will ich dich töten". Die adoptierte Tochter des FBI Agenten Travis wird entführt. Zeitgleich erhält die leibliche Mutter Drohbriefe. Die Spuren des Entführers führen in den Heimatort der leiblichen Mutter. So lernen sich der FBI Agent und die Mutter kennen - und natürlich verlieben sie sich nach Ingerem hin und her. Obwohl ich bei dieser Stelle fand, dass es doch etwas zuviel Groschenroman ist, musste ich bald meine Meinung ändern. Die Spannung stieg stetig an. Die Geschichte wird aus vielen verschiedenen Perspektiven erzählt, was weiter zur Spannung beiträgt. Die Identität des Entführers konnte man durch den Vorgängerroman bereits am Anfang erahnen, und trotzdem fand ich es doch etwas an den Haaren herbeigezogen, dass gleich 2 Söhne so auf die schiefe Bahn geraten. Wer beide Romane gelesen hat, weiß wovon ich spreche. Also mein Tip, zuerst "Sanft will ich dich töten" und erst dannach "Fatal burn" lesen.  
0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein typisches Lisa Jackson Buch.... Von J. Carminho... leichtes Lesen für zwischendurch. Liebe, Lust und ein wenig Nervenkitzel aber wie immer spannend bis zum Schluss. Wer L.J. mag ist hier richtig.

Kurzbeschreibung  
She's The Moth. . . He's been waiting for this moment. With every kill, he can feel her getting closer. Very soon--just a few more victims to go. All he needed was the girl, Dani, and now that he has her, his plan is in motion, and no one can stop it. . . Moving Dangerously Close. . . The police don't believe Shannon Flannery when she says someone is out there, watching her, trying to kill her. The only person on her side is Travis Settler. The former Special Forces agent is convinced Shannon's dark past has something to do with the disappearance of his daughter, Dani--a child whose connection to Shannon is just the beginning of a nightmare. . . To The Flame. . . Secrets have been kept from Shannon. Dark, dangerous, and very fatal secrets. Now, with no one to trust but a man who has every reason to doubt her, Shannon's determined to discover the shocking truth, even if it brings her face to face with a serial killer whose slow burn for vengeance will not be denied. . .  
From Publishers Weekly  
Although branded a "romantic suspense" novelist, Jackson keeps the sex to a minimum for the better in his latest. Featuring two secondary characters from 2005's Deep Freeze (Travis Settler and his teenage daughter, Dani), the detailed plot revolves around Shannon Flannery, a woman with four overprotective older brothers and a troubled past that includes being falsely accused of murdering her husband and giving up her only child, Dani, for adoption. When Dani is kidnapped from her hometown of Falls Creek, Ore., Travis sets out to find Shannon in Santa Lucia, Calif., thinking she may know the girl's whereabouts. The two eventually realize that Dani's disappearance, as well as several unsolved local murders and a series of arsons, are inextricably linked to Shannon's family history including dark secrets her brothers have harbored for years. Naturally, in the midst of all the danger, Travis and Shannon fall in love; though Jackson indulges in only one major obligatory sex scene, she injects nearly every other scene with plenty of dread and drama, keeping seasoned suspense lovers reading. A tight, twisty plot catapulting toward a fiery conclusion will please fans and should earn Jackson new ones. (Mar.) Copyright Reed Business Information, a division of Reed Elsevier Inc.
