Tatsächlich wird sie sogar ein bisschen gemobbt und versucht sich daher so unauffällig wie möglich zu verhalten. eines Tages platzt ihr der Kragen aufgrund der ständigen Anfeindungen und sie kreierte per Facebook mit einem zufällig aus dem Internet heruntergeladenem Bild eines Traumtypen die Story über eine angebliche Beziehung mit ihm. Am nächsten Tag passiert das Unglaubliche und eben dieser wahllos aus dem Internet heruntergeladene steht plötzlich vor ihr. Zuerst denkt Dakota, sie hat Halluzinationen oder ist verrückt geworden - wie unwirklich ist das alles. Doch der Junge, Santiago ist mehr als real. Tatsächlich wagt er sich in ihr Leben, behauptet ebenfalls ihr Freund zu sein und schleicht sich sogar bei ihrer Mutter ein. Sie versteht das alles nicht und fragt ihn, warum das alles - seine kryptische Antwort "ihn dürfe sie nicht fragen, wenn sie Niemand in Gefahr bringen wolle". Dakota hat eine tolle Mutter, die als Krankenschwester arbeitet, ihr Vater ist eigentlich immer auf Reisen und meldet sich nur unregelmäßig aus der Ferne von Geschäftsreisen. Die Geschichte ist ein Abenteuer, das man am Anfang des Buches eigentlich kaum erahnen konnte. Ein wenig Thriller gewürzt mit einer Romanze und einem Plot, der wirklich unterhaltsam ist. Wenig ist so, wie es scheint, Mutter, Vater, Santiago, alle mit einem Geheimnis. Einzig Dakota bleibt sich selbst treu. Sie ist ein wenig verschroben, im besten aller Sinne, herzlich, meist unsicher, jedoch offen und ehrlich. Santiago ist sexy, geheimnisvoll und hat einen starken Beschützerinstinkt. Das Buch hat mich überrascht - die Beschreibung klingt eher ein wenig belanglos, aber das war es nicht - es ist natürlich nicht hohe Literatur, aber im Genre NA sehr gut lesenswert. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Hot, Sexy... Turns and Twists... Von Mic There is not more to say :) This story is great. Has a lot of steamy, sexy scenes and you will find Santiago more than appealing. But most of all, this book has surprising turns and so many times you will not know what will happen next... that's really cool! 4 instead of 5 stars, because I could not connect so well to the characters, as well as I would have liked to, when I'm reading. But otherwise a lovely, sexy book for a light summer day!

Kurzbeschreibung FATE BOOK TWO, Also Available **** From New York Times and USA Today Bestseller, Mimi Jean Pamfiloff DAKOTA DANE IS ABOUT TO TELL A LIE SHE'LL WISH SHE HADN'T. Because her lie is dangerous, sexy, and just showed up on campus, angry as hell and looking for her... Ugly duckling Dakota Dane has a new boyfriend. He's male-model gorgeous, built to perfection, wealthy, and smart. He is also a lie. As in, 100% fabricated. Does it matter that Dakota has a perfectly good reason for making him up? Not really. Not when Dakota's made-up boyfriend shows up in the flesh. So is she crazy? All signs point to maybe. But the walking, talking enigma with the deadly vibe isn't about to give her any answers or let her out of his sight. And with college just around the corner, Dakota fears her dreams of a bright future have just collided with a dark rabbit hole... Fate. Such a simple word, isn't it? But there's nothing simple about it. Not for me, anyway. Not when it comes to this man. I have no idea who the hell he is, where he came from, or what he wants, but his dangerous vibe tells me I should run away and never look back. But I can't. Because as much as he scares the hell out of me, his sinfully dark gaze and what it does to me is ten times more powerful. And I know I want something I shouldn't. I should want my sanity. I should want college and parties and this dream I've waited for my whole life. I should want to keep that promise I made myself back in high school to make something of my life. But now I'm looking at him, his powerful body, his predatory gaze, his sinfully shaped lips, and I know I'll never be able to walk away. So I simply keep lying to myself about there being a reason for all this. I simply tell myself it must be fate.
