Kurzbeschreibung "You will know darkness... You will see it... Feel it... You will breathe it in; the evil that is to come. It is my duty to show you, and it is your fate to learn from it." - Master OrinRurik Kaster is a veteran soldier and a blood-tested, war-hardened champion for his empire. He is a brother and a friend and, once again, going to war for his Emperor, but not any kind he has endured before. His strength and spirit will be tested. His allies will become suspect. His reality will turn upside down.Fate of an Empire is the first installment in the Talurian Empire Trilogy. The launching series centered on the warring empire of Talur, a dominant people group on a secluded continent, within the world of Ethindriil, driven into a bloodlust war between powers far beyond their comprehension. Follow a courageous soldier, tyrannical general, orphaned druid, warrior prince, ancient mage, and many more characters as they try to make sense of their escalating conflict."I will usher in a new era. I will once again bring forth the power of the Ancients, The Twelve born from Ethindriil. Are you with me, or against me? You must decide, for there will be nothing left in between."READERS ARE CALLING IT, "A GRITTY WARTIME FANTASY THAT WILL KEEP YOU ON THE EDGE OF YOUR SEAT!"- EPIC BATTLES- DEVASTATING MAGIC- WELL-DEVELOPED CHARACTERS- AND A DESERVING PLOT LINE TO TIE IT UPKurzbeschreibung "You will know darkness...
