What Color Is Caroline Underwear? Von Ingrid Stephanie Jordan Title: Fated Winter Valley Wolves Mating Season Author: V. Vaughn Reviewer: Stephanie Jordan #Paranormal #WolfShifter I totally recommend this book, I just love reading Winter Valley's Mating Season. I mean think about it, what would happen to you if you spent your whole life protecting your daughter from everyone and everything just so she is happy. That's what Caroline Quinn has done, being a Erotic Romance Writer, she has a pen name that no one knows. People tend to be funny when they find out you write Erotic books and Trixie her daughter didn't deserve the hurtful ways of other people but things are different now since she's married with babies. Caroline even lives modestly on the outside of her trailer but woo the inside was a different. Now it's time to think about herself, have fun, date, have sex again. Paul Ryan is the Alpha of the Silver Lake Wolves Pack, when his true mate died, he thought he would too. Except being an Alpha of his pack he had to work through his pain. Then he met someone and knew she'd be his mate but he wasn't ready yet or was he? As I said this is a good must read book, you won't be disappointed. I was gifted this ARC for an honest and truthful review. Kurzbeschreibung Caroline Quinn writes romance, so you'd think it would be easy for her to do relationships. The truth is that while she can give any heroine a happy ending, after decades of being a single mother who swore off men she struggles to find a guy she wants to date. Although, there's one sexy werewolf she's interested in, but after one fun afternoon on the lake Paul Ryan left her high and dry. When he's suddenly around at every turn she discovers there's a reason she can't keep him out of her dreams. Now she has to decide if fate's plan for her is worth the risk. Paul Ryan is the alpha of the Silver Lake Wolves and without a mate. When he met Caroline Quinn, all his senses buzzed with the electricity he used to feel for his late true mate. But he wasn't ready for a second chance and let Caroline go. When Paul runs into her months later he can't resist the pull of their fate, and he doesn't want to. All he has to do now is convince Caroline they're meant to be. Kurzbeschreibung Caroline Quinn writes romance, so you'd think it would be easy for her to do relationships.
