Welcome back, Cassie MilesVon Ein KundeCassie Miles' introduction to the "Captive Hearts" series is a nice balance of mystery and emotion sure to add sizzle to a summer night. Taking not one, but two, overused plot staples (amnesia and a secret baby), Ms. Miles delivers a story that is still fresh and involving. David and Amanda became fully-developed, engaging characters even while being hurtled from one dangerous situation to the next, and their reunion, while not overwhelmingly romantic, is still satisfying. I can't say anything without giving it away, but I did like how the Big Confrontation at the end was handled. Best of all, every one of my doubts and questions (If Amanda knew David was going to be a doctor, how did she justify her belief that he was still irresponsible?) were answered in a

satisfying way. If the other two books (His to Protect and The Safe Hostage) are as good as this one, we should be in for a treat.

Kurzbeschreibung
CAPTIVE HEARTS
From hostages to prisoners of passion
Held at gunpoint in a mysterious crime, three women are soon bound by desire to the men sworn to protect them at all costs
Amanda Fielding remembered nothing of the crime she was suspected of, or the blow that caused her partial amnesia. She awakened in the E.R. to gaze into the eyes of her former lover, Dr. David Haine
the man whose touch flamed her deepest desires. The man she'd left without a word
To prove her innocent and save her from a killer, David would take her captive himself. But would he still trust her when he learned she was guilty
of not telling him about their baby?
In twenty-four hours, their lives change forever
