**Von Carolyn McSparren : Fathers and Sons** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fathers and Sons:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun relationship drama withn a 2nd chance at love romanceVon Ein KundeTwo decades ago, David Canfield hurt his beloved spouse, Kate, by having an affair and ultimately siring a child with another woman. Unable to cope with his betrayal, Kate left him. David went on to raise his son Jason. Meanwhile, Kate married Alec Mulholland and became a high powered Atlanta-based attorney. Last year, Alec passed away.Now the police have arrested Jason, charging him with killing his high school girl friend. David wants his son to be represented by the best available lawyer, which happens to be Kate. Without being egotistical, Kate knows she is the right person for this case. However, she never lost her feelings of love or hurt when it comes to David. Can she properly represent his son when she still loves her

betrayal? FATHERS AND SONS is an interesting blending of a relationship drama within a second chance at love story line. The story line is fun, especially the interactions between the three lead players. The characters seem real and motivated, leaving readers believe in the impact of the big hurt. Carolyn McSparren demonstrates she knows how to spin a truly entertaining category romance. Harriet Klausner

Kurzbeschreibung Her client is her ex-husband's son. When Kate Mulholland divorced David Canfield twenty years ago for an act of betrayal that resulted in the birth of a baby boy, she never expected to see David or his son again. She certainly never expected David to keep track of her successful career as an Atlanta lawyer. But that's exactly what he did. And now he's asking for her help. His son, Jason, has been charged with the murder of his high-school sweetheart, and David needs the best lawyer he can find. Kate knows she can handle the case. What she doesn't know is whether she and David can handle the feelings that still exist between them.
