Faust: Color Illustrated, Formatted for E-Readers (Unabridged Version) (English Edition):

KurzbeschreibungHow is this book unique? Formatted for E-Readers, Unabridged Original version. You will find it much more comfortable to read on your device/app. Easy on your eyes.Includes: 15 Colored Illustrations and BiographyFaust is a tragic play in two parts usually known in English as Faust, Part One and Faust, Part Two. Although rarely staged in its entirety, it is the play with the largest audience numbers on German-language stages. Faust is Goethe's magnum opus and considered by many to be one of the greatest works of German literature.The earliest forms of the work, known as the Urfaust, were developed between 1772 and 1775; however, the details of that development are not entirely clear. Urfaust has twenty-two scenes, one in prose, two largely prose and the remaining 1,441 lines in rhymed verse. The manuscript is lost, but a copy was discovered in 1886.The first appearance of the work in print was Faust, a Fragment, published in 1790. Goethe completed a preliminary version of what is now known as Part One in 1806. Its publication in 1808 was followed by the revised 182829 edition, the last to be edited by Goethe himself.Goethe finished writing Faust Part Two in 1831. In contrast to Faust Part One, the focus here is no longer on the soul of Faust, which has been sold to the devil, but rather on social phenomena such as psychology, history and politics, in addition to mystical and philosophical topics. The second part formed the principal occupation of Goethe's last years. It appeared only posthumously in 1832.Pressestimmen" One of those great works of literature into which a writer has been able to combine his ranging preoccupations and understanding as he worked." -A.
