Wie kann jemand

zu Sex gezwungen werden indem ihr gedroht wird sonst ihre Tante umzubringen und sich dann noch in diesen Kerl verlieben, jemand der einen auch ein Jahrzehnt auf brutale Weise gemobbt hat???? !!!!!!!! Ich verstehe es nicht !!! Das war eigentlich sowas von Schockierend fr mich das ich echt berlegt habe das Buch zu beenden. Aber ich bin immer so neugierig und wollte wissen was es mit Keiran auf sich hat und die Geschichte wurde immer spannender und wenn man erfahrt was er durchlebt hat (so was Krasses habe ich in noch kein Buch gelesen!!), dann versteht man ihn irgendwie. Aber gerade das man ihn nachvollziehen kann, hat mich so verstrt, den ich bin immer noch nicht ber die Protagonisten Lake, hinweg, die sich einfach ihn verliebt hat, nach allem was er ihr angetan hat. Ich wrde das Buch nicht nochmal lesen !!, trotzdem fand ich es auf eine Art gut und es wurde immer spannender.0 von 1 Kunden fanden die folgende Rezension hilfreich. Like Dark Reads? Try Fear Me by B.B. Reid! Von MsBooberella Not only is the cover to die for, I mean who doesn't like nice abs, but the story in itself was really good. When you first meet Keiran Masters all will want to do is hit him in the face and tell him to get lost or run away and hide from him.....yes, that's how complex and dark his character is. Oh, and sorry to tell you but he doesn't get better, he get's worse. Still, I thought he was really hot...in a mean and hateful way that might scare you and turn you on at the same time. Lake, the female protagonist, and victim of Keiran's "advances" is a really likeable character. She is not as whiney and weak as other female characters which is a nice change for once. She never ran from Keiran but stood her ground, even going eye to eye with him. The plot kept me so gripped and I just couldn't put the book down. I really wanted everything to unravel itself and when it did well ...s*** went down! Fear Me is part of the Broken Love series by B.B. Reid which means there is more than just one book to read. Whoop Whoop! 1 von 1 Kunden fanden die folgende Rezension hilfreich. absoluter Schwachsinn Von Anonym Also ich wei nicht wer auf so nen Bulls*** steht: Die beiden Protagonisten sind erst 18 und gehen noch ins College (Dementsprechend viel dummes Teeniegehabt). Die Story ist sehr seicht. Ich hab das Buch grtenteils berflogen, weil es einfach nicht ertrglich war. Die Sexszenen sind ok aber jetzt auch nicht so aussergewöhnlich. Der Schreibstil ist sehr einfach und nicht ansprechend. Ich wei auch nicht, vielleicht finden Teenies so was toll. Mich hat es gelangweilt.

Kurzbeschreibung This isn't another "I hate you because I secretly love you" story. Boy really does hate girl. And this isn't just a forbidden love story. This is obsession at its darkest. I don't believe in fairy tales and Prince Charming. I believe in fear. He taught me how to be afraid. We first met on a playground on a wonderful summer day. It was the first time he hurt me and it wouldn't be the last. For ten years, he's been my tormentor and I've been his forbidden. But then he went away, and yet I was still afraid. Now he's back and wants more than just my tears. You see...he thinks I sent him away so now he wants revenge...and he knows just how to get it. She would sneak into her mother's closet for books and even sometimes the attic. It soon became a hobby, and later an addiction, influencing her life in a positive way. Bebe is fresh out of undergrad college and has always wondered about the existence of her talent. When she finally decided to pick up a metaphorical pen and start writing, she found a new way to embrace her passion. She favors a romance that isn't always easy on the eyes or heart, and loves to see characters grow characters who are seemingly doomed from the start but find love anyway. Fear Me, her debut novel, is the first of many.
