Von Allison Brennan : Fear No Evil (No Evil Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fear No Evil (No Evil Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich.

Unterhaltsam und phasenweise spannend... Von Yukon 1998 Eine Serie brutaler Frauenmorde erschüttert San Diego. Die Polizistin Carina Kincaid ermittelt und erhält dabei die Unterstützung ihrer eigenen Brüder - sowie die von Nick Thomas, welcher der Bruder eines der im Fall Verdächtigen (und dem Leser aus Allison Brennans "THE HUNT" bekannt) ist. Gemeinsam kommt man dem Mörder auf die Spur... Der Beginn des Romans ist unerwartet brutal. Danach jedoch fällt die Spannungskurve zunächst ab. Allein die Tatsache, dass Nick Thomas als alter Bekannter wieder auftaucht, hat mein Interesse gehalten. In der zweiten Hälfte des Buches gelingt es der Autorin jedoch, die Spannungskurve wieder merklich nach oben zu treiben - bis die Geschichte endlich in einem fulminanten Finale endet! Allison Brennan bedient sich ihres gewohnten Sprachstils und ihrer bemerkenswerten Fähigkeit, auch die Perspektiven ihrer 'Bsen' glaubhaft darzustellen. Wer dies mag, ist auch mit diesem Roman der Autorin gut bedient. Zwei Punkte Abzug gibt es jedoch für die verhältnismäßig schwache - weil inhalts- und spannungsleere - erste Hälfte des Buches. Trotzdem sehe ich den Folgebänden, in deren Zentrum erneut die Kincaid-Brüder stehen sollen, mit einer gewissen Vorfreude entgegen.

Kurzbeschreibung In cyberspace, no one can hear you scream. Instead of preparing for her high school graduation, Lucy Kincaid is facing a vicious execution. Lured by an online predator, she's destined to die horribly live on the Internet while hundreds of heartless viewers watch and vote on the method of her slaughter. Her family's only hope rests with Kate Donovan, an FBI agent who took on the same sadistic killer once before . . . and lost. Blamed for another girl's gruesome murder, Kate's been fighting to clear her name. But she agrees to join the hunt for Lucy and reluctantly steps back into her worst nightmare. With time running out before the bloody webcast airs, Kate teams up with forensic psychiatrist Dillon Kincaid to get inside the head of her twisted quarry, zero in on his chamber of horrors, and reach Lucy before grim history repeats itself and another innocent's brutal death goes hideously live. Face the fear. Speak its name. See its face. From the Paperback edition. Kurzbeschreibung In cyberspace, no one can hear you scream.
