Von Lisa Gardner : Fear Nothing (Detective D.D. Warren 7) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fear Nothing (Detective D.D. Warren 7):

Kurzbeschreibung In FEAR NOTHING, the seventh novel in the Detective D.D. Warren series, Sunday Times bestseller Lisa Gardner 'continues to show why she is on the short list of top thriller writers today' (Suspense Magazine). IF YOUR FAMILY ARE KILLERS, WHAT ARE YOU? For fans of Karin Slaughter and Tess Gerritsen. They say family means everything. But Dr Adeline Glen cannot accept that. When you're bound by blood to a father who slaughtered prostitutes and a sister who followed in his sociopathic footsteps, how can you? But now Boston Detective D.D. Warren needs Adeline's professional help to recover from a brutal attack by a psychopath. A murderer who knows too much about Adeline's dead father, and is someone her imprisoned sister claims she can help catch. With the Rose Killer focused on D.D., will Adeline be able to put aside her personal nightmares to help her? All she knows is if she is going to survive what's to come, Adeline will have to... Pressestimmen Praise for Fear Nothing "Nobody writes about the psychological aspects of working in law enforcement better than Lisa Gardner.... She's written another thriller that will keep fans gasping while drawing new readers into the vivid psychological narrative." - Associated Press "In this strong addition to the series, Gardner retains her place on thrillerdom's top tier." - Booklist (starred review) "Her most intriguing and complex novel to date... Only an author as talented as Gardner could make the book so intensely satisfying." - Huffington Post "When it comes to delivering riveting, complex female protagonists, Gardner is in a class by herself." - RT Book s "Gardner repeatedly ratchets up the tension." - Publishers Weekly "If you think Gardner pulled out all the stops in D.D.'s previous cases... you ain't seen nothing yet. Better fasten your seat belt for this roller-coaster ride through family hell." - Kirkus (starred review) "Lisa Gardner delivers an intelligent, sophisticated, psychological thriller in her latest installment Fear Nothing... Gardner continues to show why she is on the short list of top thriller writers today." - Suspense Magazine "Lisa Gardner is her absolute best in Fear Nothing." - Bookreporter.com Lisa Gardner, the master of the psychological thriller, has delivered another tour de force with Touch Go, which exposes the raw nerves of a family imploding, and an investigator trying to escape her past. Gardner does an amazing job of creating realistic situations and characters with emotional resonance. The constant surprises will shock even the most jaded thriller reader. Associated Press on Touch Go Gardner's sixth Det. D.D. Warren thriller grabs from the get-go. People on Catch Me Lisa Gardner is a writer who gets better and better with each new book... [Catch Me] is full of twists and turns, but best of all, it is filled with fascinating characters who come to life on her pages. Huffington Post on Catch Me New York Times best-selling author Gardner always plays in the big leagues, but this scare-your-socks-off thriller is a grand slam, packed with enigmatic characters (some good, some crazily evil), expert procedural detail, and superb storytelling. Library Journal on Catch Me Gardner has become one of the best psychological thriller writers in the business. The compelling characters, the shocking plot and the realistic atmosphere of how police operate make this a "must read" for any suspense aficionado.
