Von Chris Mooney : Fear the Dark (Darby McCormick) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fear the Dark (Darby McCormick):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. High-Voltage ThrillerVon N. HelfrichI've been a longtime fan of Chris Mooney's books and his kick-ass heroine Darby McCormick, so Fear The Dark was highly anticipated - and I was not let down!Fear The Dark is yet another dark, gruesome and enthralling thriller by Chris Mooney and the story takes the reader on a grim ride through the most

atrocious pits of the human mind. Mooney weaves his net of terror for the reader to get trapped in while reading. There are enough plot twists that cannot be predicted and how certain events and characters are interconnected will leave even the most experienced thriller fans baffled at the end. Mooney's description of the newest methods the FBI uses to bring seemingly invisible evidence to light is absolutely fascinating and entertaining, and it's a million miles away from your average police procedural thriller. *Fear The Dark* is highly recommended and a very dark thriller gem!

As Darby navigates the blood-ties and broken promises that divide the locals, she knows that all the while the killer is watching, waiting and circling his next target: her.
