SweetVon SunneSweet little story, not remarkable but well written and cute. The perfect christmas fluff that leaves you with a good feeling.

Kurzbeschreibung Cal Thompson is going a little mad over the Christmas holiday, stuck in a tiny house with fourteen members of his immediate family. There's no privacy and no boyfriend to help him cope because Philip is still a secret, though not for long. Cal's family knows he's bisexual, but they've always assumed Cal would marry a woman and be fruitful and multiply. Just as he's ready to set the record straight, his parents tell the family they're selling the family house and tip this introvert's world on edge. Philip Sherman arrives at Cal's family home to find his lover mourning the loss of his home, paralyzed by the abrupt and unexpected announcement that trumped his own. Though Philip takes the setback in stride, they won't be able to avoid the calling of their hearts for long: Cal needs to reveal the truth of his relationship with Philip to his family, and Philip has a question he's desperate to have answered. A story from the Dreamspinner Press 2013 Advent Calendar package "Heartwarming".
