Von Marilyn Clay : FELICITY'S FOLLY (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised FELICITY'S FOLLY (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A very funny story, complete with ghosts and legends!Von Ein KundeThis is a cleverly written story with interwoven plots that involve a number of mysteries. Who, or what, is digging up the grounds of Rhoades Arbor? Why is Felicity Rhoades using an assumed name? Why is she protecting her dead husband? Which one of the Arbor guests is not who she, or he, seems to be? Felicity's ideas to catch the ghostly vandal will keep you in stitches! Both Felicity and Maitland are well-drawn, likeable characters who display deep human emotions as they resist falling in love with one another. Ms. Clay has managed to write a very funny story with laugh out-loud scenes and at the same time, a heart-wrenching love story and mystery novel. If you are a true Regency fan, you won't want to miss this one! Very well done!!0 von 0 Kunden fanden die folgende Rezension hilfreich. A funny, entertaining read!Von Elizabeth

AshleyFelicity Rhoades is determined to make it on her own! To do so, she must go against the protests of her hot-tempered brother and the antics of a bevy of eccentric boarders and other-worldly beings who seem intent upon sabotaging Felicity's every effort to run a respectable boarding house. The ghostly scenes in this story are the funniest I have ever read. Many of the ghostly sightings and legends that the author mentions are indeed true stories. Being from England, I am quite familiar with certain of these tales that have been associated with English castles and abbeys for centuries. Ms. Clay has obviously done extensive research before writing this very funny story. A MUST READ, don't miss this one!0 von 0 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungFELICITY'S FOLLY is a clean, sweet, traditional Regency romance novel set at a country house in Regency England with quirky characters in the tradition of Jane Austen and Georgette Heyer. If you like the clean, sweet and amusing Regencies of Candice Hern, Elosia James, Joan Smith, Kathleen Baldwin and Shannon Donnelly, you'll enjoy Marilyn Clay's traditional romantic comedies. All of Marilyn Clay's Regencies are suitable for teen and young adult readers.FELICITY'S FOLLY is replete with ghosts and the supernatural and even a mystery. Left without a sixpence at three-and-twenty, Felicity Rhoades has vowed never to marry again. Instead, she intends to become a woman of independent means by taking in boarders. The boarding house is Rhoades Arbor, Felicity's late husband's grand estate; her lodgers will be England's hoi polloi; and her first guest is none other than a titled gentleman!Unfortunately, the best-laid plans are going to the ghosts! The Earl of Maitland arrivespursued by a headless horseman! Felicity's other boarders turn out to be a pair of eccentric spinsters and a psychic. Strange noises are causing all the guests consternation. Someone is digging up the garden every night; and whenever the charming earl is near, Felicity becomes giddy.Something very odd is happening at Rhoades Arbor and it may lead a landlady and a captivated earl into the shadowy unknown when a buried secret reveals the most thrilling mystery of alllove! A very unusual plot! Unbelievably funny! I laughed out loud! Regency author, Melissa Frederick.Filled with Jane Austen-like characters, Ms. Clay's writing and characterization are excellent! Bestselling historical author, Patricia RiceLook for THE WRONG MSS FAIRFAX, Marilyn Clay's newest Regency romance novel which debuted in the Top 100 Best-Selling Ebooks on .MARILYN CLAY is a multi-published author and respected historian of the Regency period in English history. For sixteen years, she published and edited The Regency Plume Newsletter, an international newsletter containing well-researched articles useful to writers, historians and people interested in the 18th and early 19th centuries in English history.
