Von Leigh Greenwood : Fern (Seven Brides Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fern (Seven Brides Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A wonderful read.Von Ein KundeMadison Randolph (given up for dead by all but brother George), has been estranged from his family for years. All his life, his cruel father regarded his love of books as a weakness and tormented him unmercifully. Never cut out to be a rancher, Madison leaves home to escape his feelings of inadequacy.Year later he

becomes a successful Boston lawyer. He has everything he has ever wanted but somewhere deep down he has never forgotten the family he left behind. When his brother Hen is falsely accused of murder he sees his chance to go home and prove his worthiness by proving Hen's innocence. Old family resentments the "Flower Woman" as different from him as night and day, seem to stand in his way. Fern, the pants wearing beauty, hiding behind a dark secret, needs this proper gentleman as much as he need her. Together they bare their souls and heal each others hearts. With Ferns help Madison finds his place in his family. This is the second book in the Seven Brides Series. I recommend reading them all.

Kurzbeschreibung Fern Sproull, a young, swaggering opinionated ruffian, dressing and behaving like a cowboy, is determined Hen Randolph will hang for killing her cousin. She's equally determined that a fancy lawyer named Madison Randolph isn't going to get his brother off. Fern has spent the last eight years of her life outriding, out shooting, and out cussing every man in her path, and she's not about to let the man who murdered her cousin get off just because he's one of the Texas Randolphs. But how is she going to know what tricks Madison gets up to unless she follows him around? Madison Randolph, the brother who abandoned his younger orphaned siblings to go to Harvard during the Civil War, has come to Abilene, Kansas to defend his brother against a murder charge. There's not much love lost between Madison and his family, but he's certain Hen isn't a murderer and he doesn't mean to let him hang. The fact that an obnoxious female who dresses like a man and acts even worse intends to stop him only encourages him to prove he's the very best at what he does. The suave, sophisticated Madison is appalled, first to discover that under all that dirt and bluster is a woman, and secondly, that he's intrigued by her. But Madison soon discovers the female isn't so obnoxious after all and that the ties of blood can never be broken. Kurzbeschreibung Fern Sproull, a young, swaggering opinionated ruffian, dressing and behaving like a cowboy, is determined Hen Randolph will hang for killing her cousin.
