Von Elizabeth Lowell : Fever (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fever (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I WISH IS WASN'T SO SHORT!Von Ein KundeI really love Elizabeth Lowell a.k.a. Ann Maxwell a.k.a A.E. Maxwell. Unfortunately, I was a little disappointed in this book. I have nothing against short books. If it is well written, the length of the book is no handicap. I cannot say that about this book. It lacked what was needed in order for me to get a better feel of the characters and their love. I felt as if the book was on fast forward,something that I intensely dislike in a story. It was disappointing because FEVER had the potential of being a great story. Don't get me wrong, it is still a good read. I just feel that it didn't reach it's peak. Read it and see what you think.0 von 0 Kunden fanden die folgende Rezension hilfreich. FANTASTICVon Ein KundeThis would have to be my favorite book that she has written. I

bought it a few months ago and have read it several times. It definitely pulls at the heart strings. Lisa and Rye are a perfect match. I buy all Elizabeth Lowell's books and if I could keep only one, this would be it. 2 von 5 Kunden fanden die folgende Rezension hilfreich. Not as good as some others Von SavvyChris This wasn't her best book, but it was good. I thought it was unrealistic -- but then again, it is a romance novel! I'm really tired of virgin heroine's who have no experience and don't know anything about life and heroes who have slept around and been with dozens of women. How about some real world people!

Kurzbeschreibung Lisa Johansen had been raised around the world in the most primitive cultures her anthropologist-parents could reach. Finally they sent her back to the United States to find a husband. But Lisa wanted something more Ryan McCall had been raised with the best his wealthy father could provide. Now his father impatiently awaited the arrival of grandchildren. But Rye wasn't interested in any of the well-trained beauties his father kept sending. Rye wanted something more In McCall's meadow, both of them find the fever that burns through flesh all the way to the soul. But can that fever survive the civilization beyond the meadows timeless beauty? **Kurzbeschreibung** Lisa Johansen had been raised around the world in the most primitive cultures her anthropologist-parents could reach. Finally they sent her back to the United States to find a husband. But Lisa wanted something more Ryan McCall had been raised with the best his wealthy father could provide. Now his father impatiently awaited the arrival of grandchildren. But Rye wasn't interested in any of the well-trained beauties his father kept sending. Rye wanted something more In McCall's meadow, both of them find the fever that burns through flesh all the way to the soul. But can that fever survive the civilization beyond the meadows timeless beauty? **Synopsis** A romance which tells the story of a woman who has travelled the world, tasted the exotic and seen the extraordinary, and who meets a man who stirs feeling alien to her mind, body and soul.
