Terribly dull story line told in a very boring fashionVon Deepestseal have read, I think, all books written by Maya Banks. Even if her stories are sometimes extreme I have truly njoyed them all. I must confessed that I was very much looking forward to this serie and expected something in the line og M. Banks standard. Well, that is not wht I got. The first book was just OK. The second book was bad, Jace showed some contradictory behavior, which is very untypical of

Banks ashe usually writes quite consistent personalities.... I already read the other two books, hoping that the serie would improve with the next book but quite the opposite! The third book was just unreal and so extremely boring. I don't know what happen to M. Banks this story line quality reminded me of all the many " wanna be erotic author" that are flooding ... What a shame!
