Excellent StorylineVon Karl WigginsThis was an excellent book. Not really my regular type of read but I enjoyed it

anyway. A good storyline that draws you in and the reader truly doesn't know which way it's going to go. I was almost put off by a bit of a ridiculous situation in the beginning whereby the electrical supervisor jumped in a crane and started operating it. Where was the crane operator? And how would an electrician have the faintest idea how to operate a crane? But it got even worse when he hooked the casing of a spotlight without a slinger/signaller hooking it. Anyone who knows anything about crane blocks and hooks would know how impossible that is. But I stuck with it and I'm glad I did. I don't want to place any spoilers in here, and this is one of those books it's hard to review otherwise, but I have no hesitation in recommending this. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Guter Thriller! Von Prince Kajuku Ich war positiv überrascht! Bisher habe ich von C. Smith noch nichts gelesen. Die Story ist wirklich gut und spannend erzählt. Nachdem ich für meinen Kindle Bücher einiger deutscher Autoren heruntergeladen hatte, die mir durch die Bank nicht gefielen, habe ich mich sehr gefreut, die 3,19 Euro für dieses Buch gut angelegt zu haben. Einziger Kritikpunkt: Wie auch bei anderen Übersetzungen vom Amerikanischen ins Deutsche ist der "Fluss" manchmal etwas holperig. Schwer zu beurteilen, ob das an der Umsetzung oder am Originaltext liegt. Auf jeden Fall verdient das Buch 4 Sterne! Weiter so!

Kurzbeschreibung Stephen King: "Put me down as an enthusiastic Christopher Smith fan. Smith is a cultural genius. Look beneath all the power and all the wealth that represents New York City's Fifth Avenue, and you'll find greed, blood, revenge. In the international best-selling thriller "Fifth Avenue," each intermingles within a revered society that's shaken to its core when one man finally decides to destroy another man for murdering his wife thirty-one years ago. Louis Ryan is that man. George Redman, his wife, two daughters and their close friends are his targets. The moment Ryan hires an international assassin to literally rip the Redman family apart, a series of events that can't be stopped catapults them all through a fast-paced, hard-edged thriller in which nobody is safe. Secrets are revealed. Sex lives are exposed. The Mafia get involved. And George's two daughters, Celina and Leana Redman, are suddenly caught in the throes of their father's past as Louis Ryan's blind desire to kill them all takes surprising turns in his all-out effort to see them dead. THE FIFTH AVENUE SERIES has sold more than three million books in a dozen languages. They should be read in this order: Fifth Avenue, Running of the Bulls, From Manhattan with Love, From Manhattan with Revenge, A Rush to Violence, Park Avenue.
