Von Kelly Wyre : Fight (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fight (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Impressive, thrilling readVon DrawImmediately, on the first pages of her awesome novel, Kelly Wyre sets the tone for her novel. It is going to be gritty. No unicorns and no rainbows. Set in todays southern US, her characters have to manage with what life is dealing them and only on rare occasions it will be nice.I have to admit, I had my doubts first

when reading the title and the first pages. Will I like the rough, unvarnished nature of this story? The answer is an honest yes! Because very soon it becomes obvious that Kelly Wyre did not choose this mood for her story just to write something raw and blunt. This is the way life sometimes is. And I love how she described it with so much honesty. People get hurt, not just emotionally but also physically. They have to endure blows, setbacks, dealing with lies, blood and abuse. Life is a fight to find some peace and love that everyone deserves. On some level Kelly Wyre even seems to interact with the reader. She introduces Nathan, a man who is hiding his true self behind a mask and a wall of lies, and Fury, who has an outside appearance that first made me feel sure that I do not even want to cross his path at full daylight in a crowded place. Wyre presents you those characters and then seems to look at you with a dare-judge-my-boys-prematurely glare. And you better not. Because they are very likeable guys who had to fight their entire life for their place in society that too often defines what is right and wrong in black and white, not allowing any shades in between. And here comes another very clever move by Wyre. Her characters do not only have to deal with what life is throwing at them. They also have to live with the choices they made in their lives as well as outside pressure from a society that can be unforgiving when you deviate from what they consider normal. Reading how the characters fight their way through all this trouble makes this novel so exciting and hard to put aside! The lecture here also is that perfect solutions, while minding morale, to life's problems are an illusion. At some point you can not avoid to hurt someone even when it is temporarily and for the reason to make things work out in the end. All the characters and the world they have to live in are absolutely convincing and believable as well as carefully developed. This goes especially for Fury. That's what makes this story so great to read. This is one of the many strong aspects of Kelly Wyre's novel. The story is well paced, never boring and the intimate moments between Nathan and Fury are freaking hot and mindblowing! It is impossible not to highly recommend this fantastic novel.

Kurzbeschreibung To Nathan Hunt, honesty is anything but the best policy. Telling the truth has gotten him nothing but heartache and pain; so lying about who he is and what he wants seems to be the only path to job security and friends. Hell, it even brings him a hollow kind of happiness. Except, that's not much of a life for any man. Especially one with Nathan's passions. Desperate to cure his self-made misery, Nathan agrees to go along with a con that will score cash for Nathan to start over. There's just one problem: lying is getting harder by the day. And a con who can't lie, is a con who gets caught. Nathan's attempts to distract himself from his moral quandary lead him to a mysterious, intoxicating man named Fury. The Mixed Martial Arts fighter knows a thing or two about lies and pasts better left buried. He and Nathan have something else in common they both want to be with someone who lets them be themselves. Together, they undertake a journey that proves honesty is more dangerous and more difficult than either of them could have imagined. And as they combat addiction, thugs, guns, and their own inner demons, Nathan and Fury can only hope that their battle to be together will be worth the bitter fight.
