JadeReviewer: Stephanie Jordan#Paranormal #WolfShifterAnother fantastic book that Ms. Jade has written of Wolves of Angels Rest which I believe is one step better than the last book. I love all the characters that she has portraying each with their own surviving skills, but it also lets you know that there is a lot of good people who will help you no matter what. Malachi Avdeyev aka: Mal, with his Army Brothers Kane, Diesel and LT demolished Kingdom Guard, outpost in Las Vegas where they were kidnapping and experimenting on shifters, after this job was done, Kane and Diesel left as they had found their Mates. So LT left to some where else and Mal decided he was following a lead to a Cage Fight for shifters, but he needed to get in. Going to a greasy spoon diner Mal got his information he needed and left only to hear a cry! Sofia was a waitress at a diner, living in the back in a hot dog truck, she has been through the mill and back it seems like she takes 2 steps forward and 10 steps back. Now she was exhausted, barely keeping it together but had to for her 6 week old son, Ace's sake. What is she going to do? Who should she trust? No one is going to take her baby!! I was gifted this ARC for an honest and truthful review.

KurzbeschreibungThe hunger moon hangs in the night skyMalachi battled alongside the Villalobos wolves against the fanatical Kingdom Guard paramilitary to save imprisoned shapeshifters, but he has never truly felt at home in Angels Rest. Raised in the depths of the Russian taiga, his wolf is too wild to be tamed. Sofia has lost everything, but she'll fight to the death to keep her newborn son. Then Malachi offers her one night of protection she can't refuse and a passion she can't understand. There's a wildness in him that calls to her soul, but his secrets are darker than the violence she left behind. Trust is hard, but the desire is undeniable, and both of them are hungry for a love like they've never known. \_\_\_\_\_ FIGHTER is a standalone wolf shifter paranormal romance with a Happily Ever After for the heroine and her hero. Some of the other characters first appear in the earlier books of the Wolves of Angels Rest series, and some might appear in future books! So watch out for sexy shifters in need of a true mate.
