interessante Idee Von Moppy Ich fand das Buch sehr lesenswert. Der Schreibstil ist flssig und ich mochte die Protagonisten, da ihre Handlungen nachvollziehbar und verstndlich waren, obwohl ich sein Verhalten manchmal etwas zu dick aufgetragen fand. Die Idee ist schon etwas auergewhnlich, und vielleicht auch nicht wirklich realistisch, aber in diesem Dschungel an NA Romanzen doch mal originell. 0 von 0 Kunden fanden die folgende Rezension hilfreich. WOW! Amazing book! Strong characters! Great writing style! Von Daniela I really enjoyed reading this book. It is different from the usual romance novels, because there it has strong characters that develop throughout the story. You can actually feel how both Paide and Logan are torn between their attraction and the problem they share from their past. This one is really worth the money, buy it, you won't regret it.

Kurzbeschreibung Forgiving your brother's murderer may be noble, but falling in love with him borders on betrayal. When Paige Zukowski enrolls at Granton University in honor of her dead brother, she has no idea fate will land her on the same campus with the very guy who killed him. But Logan Xander isn't quite the murderer she's always believed him to be. A day hasn't passed since the tragedy that Logan doesn't wish he could go back and undo everything. It doesn't take Paige long to realize he's suffered as much as she has. Forgiving him for ruining her life might not be so impossible after all. But when she actually starts to like him and realizes he likes her in return, their true anguish begins.
