Fighter Story Von Minelli Ja ist ne nette Fighter Story. Junger Mann kmpft sich - im wahrsten Sinne des Wortes - durchs Leben. In einer Seitengasse verliert er und wird blutend zurck gelassen. Amber findet ihn, nimmt ihn auf, hilft ihm. Er ist misstrauisch. Sie ist die Rettung in der Not. Nette Geschichte mit angedeutetem Tiefgang. Kann man zwischendurch lesen, hat aber weder Lieblingsbuchqualitt noch hat der Protagonist Bookboyfriendpotential.

Kurzbeschreibung Somewhere along the way, Amber let go of her dreams. Plans of becoming a nurse and helping people were cast aside by day to day paycheques and distracting relationships. Until she came across an illegal fight club operating late at night in the alley next to her apartment. Thats where her eyes first took in the gorgeous, blood stained fighter that everyone in the crowd seemed to be focused on. Joel Slater. Thats also where she saw him get beaten and broken, cast off by that same crowd as a loser and left to bleed in the rain. She should have left him there. She should have run back to her apartment and called the police. Let someone else deal with him. But the healer in her could never leave a man like that alone. Amber has no idea what turmoil getting involved in Joels life will bring to her own. Hes a young man with demons in his past that she cant begin to imagine, and hes not looking to be saved but thats not going to stop her from trying. Note: This book is a standalone novel with an HEA.
