Von Miranda James : File M for Murder (Cat in the Stacks Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised File M for Murder (Cat in the Stacks Mystery):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Nette UrlaubslektreVon Ingrid GoeckeDas Buch ist flott geschrieben und sprachlich sehr gut formuliert. Die Charaktere sind

glaubhaft geschildert, besonders das Verhalten und die Ausdrucksarten der Maine Coon Katze Diesel. Ich kann das Buch als Urlaubslektre sehr empfehlen, -und nicht nur Coonie-Liebhabern.

Kurzbeschreibung In this mystery in the New York Times bestselling Cat in the Stacks series, librarian Charlie Harris and his cat Diesel must clear the name of someone near and dear to their hearts Charlies own daughter. Athenas new writer in residence is a famous native son, playwright Connor Lawton, known for his sharp writing and sharper tongue. After an unpleasant encounter, librarian Charlie Harris heads home to a nice surprise: his daughter, Laura, is visiting and will be subbing for another professor this fall semester. Its great news until he hears who got her the job: her old flame, Connor Lawton... Fearing competition for Connors affections, one of his admirers tries to drive Laura out of town. And then, before Connor finishes the play he is writing, he is murdered and Laura is the prime suspect. Knowing shes innocent, Charlie and his faithful sidekick, Diesel, follow Connors cluttered trail of angry lovers, bitter enemies, and intriguing library research to find the true killer before his daughter is forever cataloged under M for murderer.

Pressestimmen Praise for the New York Times bestselling Cat in the Stacks Mysteries Courtly librarian Charlie Harris and his Maine Coon cat, Diesel, are an endearing detective duo. Warm, charming, and Southern as the tasiest grits. Carolyn Hart, New York Times bestselling author of the Death on Demand Mysteries Combines a kindhearted librarian hero, family secrets in a sleepy Southern town, and a gentle giant of a cat that will steal your heart. Lorna Barrett, New York Times bestselling author of the Booktown Mysteries Ideal for Christie fans who enjoy a good puzzle. Library Journal [A] pleasing blend of crime and charm. Richmond Times-Dispatch James just keeps getting better and better... Its an intelligent read, so well-written that I couldn't stop reading it. Every single time I turned out my light for the night, I found myself thinking about the story, flipping the light switch again and reading just one more chapter. MyShelf.com
