Achtung! Cliffhanger Big TimeVon ZTOh Man. I hate getting hooked. In a way, I'm having a better understanding of Faye's dilemma with drugs as I'm having an identical problem here with Filthy. Next one will be soon, but not soon enough. And so far, all the installments are so short it's driving me nuts.The read is pretty intense. The writing's immensely good, smooth with great timing. I get lots of feelings while reading it. Hate, love, sadness, pity etc. I

couldn't remember hating any character so much as I hate Taylor. I'm not liking Rhett that much as well. Hopefully he'll redeem himself in the next part. Looking forward to it. If you are into dark stuff, you'll love this book. Disturbing subject, crazy sick character(s), addiction, prostitution, smutty language but filthy good.

KurzbeschreibungThe third installment in the Filthy serial novel. Faye thought she could run from the past. Again. She thought she could go back to the seedy life. The one where men pay for her body and she snorts cheap coke off the back of her dirty hand. But the past has found her. Again. The past with green eyes full of hate and lust. And this time he plans to keep her.***Filthy is a dark erotic serial novel that will release in six monthly segments of around 50 pages each. This book is not for those who like a traditional heroine. Faye and Rhett's story is dark, complicated, and twisted with themes that are not acceptable to all readers. Read at your own risk.***KurzbeschreibungThe third installment in the Filthy serial novel. Faye thought she could run from the past. Again. She thought she could go back to the seedy life.
