Von M A Comley : Final Justice (Justice series Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Final Justice (Justice series Book 3) (English Edition):

Lorne is just as feisty as ever, but it's the three-dimensional properties of this character that drew me in. Her fears and vulnerabilities are a pleasant change

from the stereotypical crime fighting heroines one finds in the genre'. And the Unicorn, Baldwin, is an antagonist that any reader will love to hate. The boat scene made me want to kill him myself, slowly! Excellent character development and a fitting conclusion. Well done. Richard BardBRAINRUSH, a Thriller (Book One)
