**Von James Scott Bell : Final Witness (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Final Witness (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Minor miracle Von Ein Kunde Final Witness is a 'minor' miracle of tight plotting, compelling characterization, and crisp

dialogue. Law student/intern Rachel Ybarra becomes embroiled in a thick intrigue involving the Russian Mafia, set in Bell's familiar southern California. These complexities provide plot enough for a we-know-he-done-it-but-will-he-get-away-with-it? suspense yarn. But Bell provides a rich subplot, the role Ybarra's Christian faith plays in the secular setting of courts, cops, and federal agents. Bell handles all these elements without playing a single false note. Read his novel for the fun of it, and then read it again to learn from a fine craftsman at work.0 von 0 Kunden fanden die folgende Rezension hilfreich. Technicolor PlusVon Lisa SamsonI'm not usually a fan of legal dramas, but then I'd never read James Scott Bell before. This striking, well-written novel will keep you turning pages well after lights out! Set in L.A., Final Witness deals with the Russian mafia, a subject I'd never read about before. Fascinating detail, well-rounded characters and colorful description are obvious trademarks of this author. But it is his fabulous dialogue that elevates this fast paced novel to a higher level of fiction writing. Should most definitely be a movie! You won't be disappointed.0 von 0 Kunden fanden die folgende Rezension hilfreich. No Grisham.Von Willy GerberThis is not really a legal thriller. There is not much that is thrilling about it. Many things are difficult to understand. Why is the main character Rachel Ybarra so afraid of the villain? Just because he threatens to harm other people? Give me a break! Whatever happened to the police or the FBI? Why is the wicked defendant Jessica not herself indicted at the end of the book? She knew that witnesses would be killed. However, if you are in religion (many pages) and enjoy legal talking I think you may nevertheless like this book.

KurzbeschreibungA cold-blooded killer is destroying all who oppose him. Will there be a final witness to the truth?Young, idealistic law clerk Rachel Ybarra has just been handed a career-making opportunityhelping in the prosecution of an infamous leader of the Russian Mafia. But when the star witness turns up dead, Rachel discovers the case is not merely a battle for the truthit's a battle for her life.The Legal Thriller That Won The First Christy Award for Suspense!"In this fast-paced story of good vs. evil, Bell expertly creates a believable picture of federal law-enforcement activities. But it's the more immediate struggle between Rachel and an absolutely chilling villain that will have readers biting their nails until the very end." - CBA MarketplaceKurzbeschreibungA cold-blooded killer is destroying all who oppose him.
