Kurzbeschreibung College baseball player, Gray Thomas, had to go far out into left field to find a girl like Dylan. Now, it's time for these complete opposites to either accept they're meant to be together...or deny the mutual attraction that has existed since the first day they met. If you enjoyed *When Harry Met Sally*, or *A Lot Like Love*, this offbeat, sexy romance is the story for you. Author's Note: Can be read as a STANDALONE, or as Book 3 in the *First Comes Love* series.
